

Full Name (Last/family name in capitals) :

Mazrura SAHANI

Title and Organization :

Medical Lecturer VK7

(Public Health Specialist Physician)

Centre for Health and Applied Sciences, Faculty of Health Sciences

National University of Malaysia

Dr Mazrura Sahani received her Medical Degree from the Catholic University of Leuven in Belgium in 1990. She obtained Master of Public Health in 1997 from the National University of Malaysia (UKM) and PhD in Environmental Management for Health from University of Western Sydney, Richmond Australia in 2004.

She specializes in environmental and occupational epidemiology. She is the founding president of Malaysia Society of Environmental Epidemiology (MySEE) established in 2011. She is currently the Vice President of MySEE. She is one of the pioneers in the Southeast Asian (SEA) Region to assess the potential health impact of air and transboundary biomass air pollution in Malaysia. She worked in the Institute for Medical Research, Ministry of Health Malaysia in 1994 to 2006. She was in the National Outbreak investigation team when Malaysia encountered emerging disease outbreak ie. the Epstein Barr virus on HFMD in 1997 and Nipah virus outbreak in 1999. She became an academic member of the UKM in 2006. Her research interests are environmental and occupational epidemiology, health impact assessment, climate change impact to public health, emerging and re-emerging diseases.

CURRICULUM VITAE

(updated on June 2019)

	PERSONAL INFORMATION	
	Name:	Vo Van Thang
	Title:	Associate Professor
	Nationality:	Vietnam
	Office address:	06 Ngo Quyen street, Hue city, Vietnam
	Tel:	(+84) 913465298
	E-mail:	vovanthang147@huemed-univ.edu.vn
	ORCID ID	0000-0003-2018-0371
	Web:	http://iccchr-hue.org.vn/en/home/

- **Dean**, Faculty of Public Health, Hue University of Medicine and Pharmacy (Hue UMP) (2009- present)
- **Head of department** of Health statistics - Demography-Reproductive health, Faculty of Public Health (2008- present)
- **Director**, Institute for Community Health Research-ICHR (www.iccchr-hue.org.vn) in Hue UMP (2015- present)
- **Associate Editor**, The International Journal of Infection in Developing Countries (JIDC), <http://www.jidc.org/> (2010- present)
- **Guest Associate Editor**, The International Frontiers Journal in Public Health, http://frontiersin.org/Journal/public-health_4/2016- present)
- **Leadership member of Greater Mekong Sub-region (GMS) University Network of Public Health** (2008- present)
- **Coordinator**, Community based medical education project supported by the Netherlands (1993- 2012)

QUALIFICATIONS

- Associated Professor in Vietnam (2011)
- Ph.D in Public health (2006)
- Master of Public Health (1998)
- First degree of specialization in Obstetrics and Gynecology (1991)
- Medical Doctor (1985)

PROFESSIONAL EXPERIENCE

- Director of ICHR (Institute for Community Health Research in Hue (<http://iccchr-hue.org.vn>) and Dean of Faculty of Public health- Hue University of Medicine and Pharmacy.

- As official Vietnam representative member of the International Asian Conference on Cancer Screening (IACCS) Network (2017- present)
<https://www.iaccs.asia/>
- A strong advocate for QUT's participation in regional forums in SE Asia.
- Adjunct Professor at QUT was appointed for two continuous terms of 8 years (2014-2022) as strong links with QUT continue to be productive. As one Director of ICHR, some recent and ongoing contributions to QUT include:
 1. Enthusiastic support for the research of nine of our PhD students, including a 2019 PhD graduate
 2. Support of short term mobility placements for more than 100 SPHSW and SENS students for the past 12 years and this will continue in 2019 and probably beyond.
 3. Co-investigator in the 'Evidence for Better Lives Study' which is a collaboration involving University of Cambridge, QUT and Hue University and other institutions (funded for 2017-19 so far, with future plans)
 4. Co-teaches with Prof M Dunne and others into the 'Research Design and Methods' module of the Master of Medical Biotechnology course in Hue, to which QUT School of Biomedical Science contributes two core modules.
- Participating as a lecturer in postgraduate training for many universities internationally such as: the Netherlands, Italy and Australia.
- Authors and co-authors of more 140 scientific researches publishing nationally and internationally (see appendix below).
- Experiences in mentoring for many research projects in public health and medical education, supervising for many study programs in Hue city of undergraduate and post graduate students from universities and organization internationally (Australia, the Netherlands, the US; among which there were 7 PhD projects and more than 50 Bachelors of public health and Social workers from QUT, Australia, co-supervisor of 1 PhD project completed at QUT in 2011).
- As one of ten Erasmus Mundus scholars from outside Europe was awarded to carry out teaching and research assignments of Master degree training course on international health for the Academic year 2006/2007 in Royal Tropical Institute, Amsterdam (KIT) the Netherlands.
- As a founding leader in the Sub-Mekong Regional Public Health Network, he has enabled active collaborators between Hue UMP and many universities in China, Cambodia, Myanmar, Laos, Thailand and Philippines.

APPENDIX

LIST OF INTERNATIONAL PAPERS IN THE PAST 6 YEARS (2013-2019)

1.	Hemoglobin Constant Spring is markedly high in women of an ethnic minority group in Vietnam: A community-based survey and hematologic features	2013	Elsevier YBCMD- 01785 es http://dx.doi.org/10.1016/j.bcmd.2013.12.002
2.	Adverse Childhood Experiences and the Health of University Students in Eight Provinces of Vietnam	2015	Asia-Pacific Journal of Public Health 1 –7 © 2015 APJPH https://www.researchgate.net/profile/Quynh-Tran7/publication/277777552_Adverse_Childhood_Experiences_and_the_Health_of_University_Students_in_Eight_Provinces_of_Vietnam/links/55f7d04a08aeb1d9efe9aa5.pdf
3.	Postnatal depressive symptoms amongst women in Central Vietnam: a cross-sectional study investigating prevalence and associations with social, cultural and infant factors	2015	BMC Pregnancy and Childbirth 28 September 2015. DOI: 10.1186/s12884-015-0662-5 https://bmcpregnancychildbirth.biomedcentral.com/articles/10.1186/s12884-015-0662-5
4.	Prevalence and associated factors of erectile dysfunction among married men in Vietnam	2017	<i>Front. Public Health</i> 5:94.doi: 10.3389/fpubh.2017.00094 http://journal.frontiersin.org/article/10.3389/fpubh.2017.00094/full
5.	Postpartum depression symptoms and factors in married women: A cross-sectional study in Danang city, Vietnam	2017	<i>Front. Public Health</i> 5:93. doi: 10.3389/fpubh.2017.00093 http://journal.frontiersin.org/article/10.3389/fpubh.2017.00093/full
6.	How do caregivers understand and respond to unsettled infant behaviour in Vietnam: a qualitative study	2017	Child: Care, Health and Development Journal. Published by John Wiley & Sons Ltd ("Wiley") CCH-2016-0194.R1

			DOI: 10.1111/cch.12474 http://onlinelibrary.wiley.com/doi/10.1111/cch.12474/abstract
7.	Association Between a Wider Availability of Health Information and Health Care Utilization in Vietnam: Cross-Sectional Study.	2017	J Med Internet Res 2017;19(12):e405) doi:10.2196/jmir.8328 https://www.ncbi.nlm.nih.gov/pubmed/29254911
8.	The Intergenerational Effects of Intimate Partner Violence in Pregnancy: Mediating Pathways and Implications for Prevention	2018	Trauma Violence Abuse. 2018 Dec 4:1524838018813563. DOI:10.1177/1524838018813563 https://www.sciencedirect.com/science/article/pii/S0190740918306765#
9.	Inter-partner violence during pregnancy, maternal mental health and birth outcomes in Vietnam: A systematic review Journal ISSN: 0190-7409	2018	Children and Youth Services Review 96 (2019) 255–265 DOI: 10.1016/j.chilyouth.2018.11.039 https://www.sciencedirect.com/science/article/pii/S0190740918306765
10.	Incidence of snakebites in 3 different geographic regions in Thua Thien Hue province, central Vietnam: Green pit vipers and cobras cause the majority of bites	2018	Toxicon. 2018 Dec 15;156:61-65. DOI: 10.1016/j.toxicon.2018.11.009 https://www.sciencedirect.com/science/article/pii/S004101011830730X?via%3Dihub
11.	Cultural Sensitivity and Global Pharmacy Engagement in Asia: India, Indonesia, Malaysia, Philippines, and Vietnam	2019	The American Journal of Pharmaceutical Education (AJPE) https://www.ajpe.org/doi/abs/10.5688/ajpe7215
12.	Mothers' experiences of settling infants in central Vietnam "through their eyes": A photo-elicitation study	2019	International Journal, Health Care for Women International https://www.tandfonline.com/eprint/Vqea9DracRPz2fkvEZvj/full?target=10.1080/07399332.2019.1569014
13.	Incidence of snakebites and medically relevant snakes in different regions in Laos and Vietnam	2019	Proceedings of the 19th World Congress of the International Society on Toxinology (IST2017). https://www.sciencedirect.com/science/article/pii/S0041010118310559 .

			Toxicon Journal https://doi.org/10.1016/j.toxicon.2018.11.326
14.	Assessment of the Validity of a Physical Activity Questionnaire for Vietnamese Children Using an Accelerometer	2019	International Journal of Physical Therapy & Rehabilitation Int J Phys Ther Rehab 5: 149. doi: https://doi.org/10.15344/2455-7498/2019/149
15.	Assistance for parents with unsettled infants in Central Vietnam: a qualitative investigation of health professionals' perspectives	2019	<i>BMC Pediatrics</i> 2019 19 :160 https://doi.org/10.1186/s12887-019-1532-5 https://bmcpediatr.biomedcentral.com/articles/10.1186/s12887-019-1532-5

CURRICULUM VITAE

PERSONAL PARTICULARS

Name : **KHAY-GUAN YEOH**

Date of Birth : 14 December 1962

Office Address : Yong Loo Lin School of Medicine
1E Kent Ridge Road
NUHS Tower Block, Level 11
Singapore 119228

Tel no. : 65-6772 3732

Fax no. : 65-6776 1264

Email Address : mdcykg@nus.edu.sg

PRESENT POSITION AND APPOINTMENTS

- Deputy Chief Executive (Academic Enterprise), National University Health System
- Dean, Yong Loo Lin School of Medicine, National University of Singapore
- Senior Consultant, Division of Gastroenterology and Hepatology, University Medicine Cluster, National University Hospital
- Associate Professor, Department of Medicine, Yong Loo Lin School of Medicine, National University of Singapore

EDUCATION / QUALIFICATIONS

2005 Fellow of Royal College of Physicians of London (FRCP London)

2003 Fellow of Royal College of Physicians of Glasgow (FRCP Glasgow)

1992 Master of Medicine (Internal Medicine), National University of Singapore

1987 MBBS, National University of Singapore

HONORS AND AWARDS

- Public Administration Medal (Silver) 2016, National Day Award
- National Outstanding Clinician Scientist Award, National Medical Excellence Awards 2013, Ministry of Health
- Faculty Research Excellence Award 2009, School of Medicine, National University of Singapore
- Excellent Service Award (Silver), 2009
- Best Oral Presentation Award for Research in Medical Disciplines, 2008 National Healthcare Group Annual Scientific Congress
- NHG Quality Pillar Award, 2007 – 2008
- Public Administration Medal (Bronze) 2007, National Day Award
- JGH Emerging Leader Lectureship Award, October 2006
- NHG Outstanding Citizenship Award 2005
- Poster of Distinction, Digestive Disease Week 2002, San Francisco USA
- China Medical Board Fellowship for Post-graduate Studies at the Digestive Disease Center, Medical University of South Carolina, 1996-1997
- Merit Award for Best Free paper, 15th Annual Scientific Meeting, Chapter of Physicians, Academy of Medicine, Singapore, 1995
- Young Clinician Award, 10th World Congress of Gastroenterology, 1994
- Seah Cheng Siang Gold Medal (M.Med Examination), 1992

PROFESSIONAL MEMBERSHIPS

2006 – current	Membership of the American Association for Cancer Research
1997 – current	Membership of the American Society for Gastrointestinal Endoscopy
1997 – current	Membership of the American Gastroenterological Association
1996 – current	Fellowship of the Academy of Medicine, Singapore
1994 – current	Editorial Board, Gut Views (Official newsletter of the Gastroenterological Society of Singapore)
1992 – current	Membership of the National Foundation of Digestive Diseases
1992 – current	Membership of the Gastroenterological Society of Singapore
1990 – current	Membership of the Singapore Medical Association

ACADEMIC APPOINTMENTS

02/2013 – 01/2016	Visiting Professorship	Taipei Medical University
01/01/2000 - current	Associate Professor	Dept of Medicine, National University of Singapore
01/08/98 - 31/12/99	Assistant Professor	Dept of Medicine, National University of Singapore
01/01/97 - 31/07/98	Senior Lecturer	Dept of Medicine, National University of Singapore
02/01/93 - 31/12/96	Lecturer	Dept of Medicine, National University of Singapore
17/06/96 - 31/05/97	Visiting Fellow	Medical University of S Carolina, USA
01/06/92 - 01/01/93	Senior Resident	Dept of Medicine, National University Hospital
02/04/90 - 31/05/92	Resident	Dept of Medicine, National University Hospital
11/07/89 - 31/03/90	Senior Tutor	Dept of Physiology, NUS
02/06/88 - 10/07/89	Medical Officer	Singapore Armed Forces (National Service)
02/05/87 - 30/04/88	Internship	Toa Payoh Hospital, Tan Tock Seng Hospital

APPOINTMENTS AND COMMITTEES

National University of Singapore

Jan 2015 – current	Member, Health Innovation Programme Steering Committee
May 2013 – current	Member, Governing Board, Life Sciences Institute
Jun 2012 – current	Member, Governing Board, Singapore Institute for Neurotechnology (SINAPSE)
2012 – current	Member, Translational Laboratory in Genetic Medicine (TLGM) Steering Committee
Nov 2011 – current	Dean, Yong Loo Lin School of Medicine
2002 – Oct 2011	Vice Dean, Yong Loo Lin School of Medicine
Jul 2011 – Jun 2013	Member, Advisory Board to Wong Hock Boon (WHB) Society
2010 – 2011	Member, NUS Centre for Health Policy and Management Workgroup
2001 – 2005	Deputy Director, Division of Graduate Medical Studies

NUS Medical Faculty – Curriculum

2000 – 2003	NUS Medical Faculty MBBS-PhD Committee
1999 – 2003	Faculty Coordinator, Physician Development Programme (PDP)
1999 – 2006	Clinical Skills Foundation Course CSFC Faculty Committee
1999 – 2006	Director of Undergraduate Teaching, Department of Medicine
1999 – 2001	Problem-Based Learning Development Programme
1998 – 1999	Medical Faculty Core Curriculum Review

NUS Medical Faculty – Exams

2005 – current	Invited Examiner, MRCP PACES Exam
----------------	-----------------------------------

2000 – current	Invited Examiner, MBBS Final Year Clinical Exam
1998	Chief Clinical Coordinator, MBBS Final Yr Clinical Exam
1996	Chief Coordinator, MMed (Int Med) Course
1993 – 1996	Organising Committee for the Advanced Medicine Course and Master of Medicine (Int Med) Examination NUS

National University Health System

Feb 2017 – Feb 2019	Member, NUH Kent Ridge Campus Steering Committee
Apr 2016 -	Member, NUHS Alexandra Campus Steering Committee
Sep 2014 – current	Advisor, Khoo Teck Puat – National University Children's Medical Institute (KTP-NUCMI) Project Steering Committee
Jan 2014 – current	Deputy Chief Executive
2011	Member, Selection Panel for NUHS Leadership Awards 2011
2011	Member, Faculty Practice Development Workgroup
Jul 2011 – Jun 2013	Member, NUHS Clinician-Researchers Mentorship Committee
2008 – 2009	Co-Chairperson, NUHS Human Resource Committee

National University Hospital

Jun 2011 – Jul 2011	Head, Department of Gastroenterology and Hepatology
2003 – current	Senior Consultant, Department of Gastroenterology and Hepatology
2000 – Oct 2011	Vice Chairman, Medical Board
2008 – 2009	Advisors, NUH GP CME Committee
2006 – 2008	Member, NUH Master Planning Steering Committee
2003 - 2004	Member, Graduate Nursing Committee

Ministry of Health

Apr 2017 – Apr 2020	Member, Joint Selection Committee for Duke-NUS Graduates applying for US Residency
2015	Member, MOH Medical Undergraduate Training Standing Committee (MUT-SC)
Aug 2014 – current	Chairman, MOH Review Committee for Residency Training
Jul 2013 – current	Member, National Postgraduate Year 1 Assessment Committee (Main Committee)
Jul 2012 – current	Member, Specialists Accreditation Board
Jun 2012 – current	Member, Residency Advisory Committee (RAC) for Gastroenterology
Mar 2012 – current	Member, MOH Medical Licensing Examination Steering Committee
Nov 2011 – current	Member, Singapore Medical Council
2010 – current	SMC Complaints Panel under the Medical Registration (Amendments) Act
2009 – current	Chairman, Steering Committee on the National Colorectal Cancer Screening Programme, Health Promotion Board
2008 - 2010	Member, MOH Clinical Practice Guidelines Development Workgroup on Cancer Screening
2008	Member & Scientific Co-Chairperson, MOH-Mayo Clinic Update
Apr 2007 – Mar 2010	Member, Specialists Accreditation Board
2003 – May 2012	Member, Specialist Training Committee for Gastroenterology (STC)

2000 – 2006	Member, Singapore Medical Council Committee for The Accreditation of HO Training Posts
2003 – 2005	Member, Joint Committee on Specialist Training (JCST)
2002	Member, Workgroup to review Clinical Practice Guidelines on Management of Helicobacter Pylori Infection
2001 – 2002	Member, Ministry of Health Project Team on “Manpower Requirements for Future Healthcare Delivery”
2001 – 2003	Member, Advisory Committee on Helicobacter Pylori Infection
2000	Ministry of Health IT Focus Group “IT in Patient Care”

National Healthcare Group

2003 – Oct 2011	Member, NHG College Council
2001 – Oct 2011	Head, Institute of Medical Education and Training, NHG College
2007 – 2010	Member, NHG Research Advisory Panel (RAP)
2007 – 2010	Chairman, Workgroup on Supporting Translational Research
2007	Deputy Chairman, Workgroup on Manpower Retention & Development
2006 – 2009	Member, NHG Research Policy & Review Committee
2004	Member, NHG Strategic Planning Team – Training & Leadership Workgroup
2000	National Healthcare Group Strategic Planning Exercise

A*Star

Sep2016 – Aug2017	Member, National Health Innovation Centre (NHIC) Search Committee (NMRC)
Apr 2016 – current	Member, Industry Alignment Fund – Pre-Positioning Programme (IAF-PP)
Nov 2015 – current	Member, NMRC Infrastructure Review Panel (IRP) for RIE2020
Mar 2012 – current	Member, NMRC Clinician Scientist Award (CSA) Panel
Mar 2012 – current	Member, NMRC Singapore Translational Research Investigator Award (STaR) Panel
Jun 2014 – May 2016	Member, National Health Innovation Centre Oversight Committee (NHIC OC)
2014	Member, Clinical Trials Implementation Committee (CTIC)
Oct 2013 – Dec 2015	Member, POLARIS Steering Committee
Nov 2012 – Oct 2014	Member, Therapeutic Development Review Panel (TDEP) for Clinical Trial Grant
2012 - 2014	Chair, Advisory Group on the Sharing of Research Data
Nov 2011 – Feb 2013	Member, Biomedical Sciences Executive Committee (BMS EXCO)
Nov 2010 – Nov 2011	Member, Review of Review Committee, National Medical Research Council, A*STAR
Jan 2010 – Dec 2014	Chairman of Local Review Panel for Bedside & Bench Grant Call, Biomedical Research Council, A*STAR
2010 - 2013	Chairman, Scientific Advisory Group of Singapore Bio-Bank, A*STAR
2006 - 2008	Member, Human Capital Working Group, BMS EXCO
2006	Chairman, Human Capital Working Group Curriculum Development Sub-Committee
2006	Member, Human Capital Working Group International Recruitment Sub-Committee
2005	Member, Biomedical Translational and Clinical Research (BM-TCR) Working Committee, A*STAR

Duke-NUS

Jun 2014 – current Member, Duke-NUS Health Services and Systems Research Advisory Panel

Public Organisations

2006 – current Medical Examiner, Civil Aviation Medical Board
2003 – current External Evaluator, Centre for Drug Administration
1999 – 2000 Scientific Chairman, National Foundation of Digestive Diseases NFDD Day

Professional Societies

1997 – 2000 Committee Member, Chapter of Physicians
1994 – current Committee Member, Gastroenterological Society of Singapore
1994 – 1995 Organising Committee, 11th Scientific Meeting of the Gastroenterological Society of Singapore

Boards of Directors

Nov 2011 – current Singapore Eye Research Institute (SERI)
Jul 2012 – current National Medical Research Council (NMRC)
2014 Jurong Health Services

MEMBERSHIP OF EDITORIAL BOARDS; CONFERENCE COMMITTEES

International

Editorial Board, World Journal of Clinical Oncology, 2010 - 2014
Editorial Board, Clinical Gastroenterology and Hepatology, 2007- 2009
Editorial Board, Journal of Gastroenterology and Hepatology, 2007- 2009
Editorial Board, World Journal of Gastroenterology, 1998-2002
Editorial Board, GUT Issues (official newsletter of the National Foundation for Digestive Diseases, 1993 - 1996)

Service as a reviewer

International

Reviewer, GUT
Reviewer, Clinical Cancer Research

Reviewer, Singapore Medical Journal
Reviewer, Annals of the Academy of Medicine, Singapore

PATENTS

2016	Fusion Genes in Cancer (SG Patent #11201606843S, EU Patent #15765285.0, JP Patent #TBC)
2015	MicroRNA Biomarker for the Diagnosis of Gastric Cancer (SG Patent #10201404742W)
2015	Recurrent Fusion Genes Contribute to the Development of Gastric Cancer (SG Patent #10201400876T)
2013	Methods Relating to Global Use of Fiber-Optic Raman Spectroscopy (UK Patent #1307338.2)
2012	Gastric Cancer Biomarkers (US Patent #61/492,061)

GRANTS

Investigator	Period	Title	Amount	Source of Funds
Yeoh KG	29 October 2012 to 29 October 2014	Use of Serum Anti-Helicobacter pylori Antibody and Pepsinogen Level to Predict Gastric Cancer Risk (T2 Study)	\$811,000	NUHS Research Office NUSRO/2012/054/5+5 budget/01
Yeoh KG	1 st February 2013 to 31 st January 2018	TCR Flagship Programme – The Singapore Gastric Cancer Consortium – Re-defining the Management of Gastric Cancer	\$24,999,999.60	National Medical Research Council (NMRC) NMRC/TCR/009-NUHS/2013
Yeoh KG	2 February 2011 to 1 February 2013	Colonoscopy Quality and Safety in Public Hospitals in Singapore	\$480,000	Ministry of Health (MOH) HSRG/0010/2010
Yeoh KG	27 August 2007 to 30 September 2012	TCR Flagship Programme – The Singapore Gastric Cancer Consortium – Improving Outcomes for Our Patients	\$24,956,260	National Medical Research Council (NMRC), A*Star NMRC/TCR/001-NUS/2007
Yeoh KG	1 February 2005 to 31 January 2008	Identification of novel biomarkers for the screening of gastric cancer in Singapore	\$1,503,570	BMRC, A*Star BMRC 04/1/21/19/312
Yeoh KG	1 April 2006 to 31 December 2008	Expansion of the Gastric Cancer Epidemiology, Clinical and Genetics Programme (GCEP) for Population-based Studies to identify Clinical, Serologic, Pathological, and Genetic Markers which can be used to define an Optimal Approach to Gastric Cancer Screening	\$188,000	Singapore Cancer Syndicate (SCS) SCS-GN0015 (Ext)
Yeoh KG	1 January 2004 to 31 December 2009	Establishment of a Gastric Cancer Epidemiology, Clinical and Genetics Programme (GCEP)	\$1,625,125	Singapore Cancer syndicate (SCS) SGC-GN0015

INVITED LECTURES AND PRESENTATIONS

- 91 *Cost-Effectiveness of Cancer Screening Programs @ 24th Asia-Pacific Cancer Conference COEX, Seoul Korea, 22-24 June 2017.*
- 90 *New Tools to Risk Stratify and Detect Early Gastric Cancer @ Asia-Pacific Symposium of Recent Progresses in GI Cancers, Taipei Medical University, Taipei Taiwan, 31 May 2017.*
- 89 *Risk stratification approach: A new pipeline or a pipe dream @ The 3rd KASID Symposium on Colorectal Neoplasia 2017 @ Grand Wakerhill Seoul Hotel, Seoul Korea, 14 April 2017.*
- 88 *FIT, Sigmoidoscopy, Colonoscopy, and CT Colonography: Which should be the first? @ The 3rd KASID Symposium on Colorectal Neoplasia 2017 @ Grand Wakerhill Seoul Hotel, Seoul Korea, 14 April 2017.*
- 87 *Innovations in Gastroenterology (IIG) @ Hotel Hilton, Tel Aviv Israel, 4-6 Jan 2017.*
- 86 *In what Asia-Pacific populations is CRC screening justified? - Overview of CRC epidemiology in the Asia-Pacific? & Risk-based algorithms to identify subgroups who should be screened in lower-incidence countries @ Asia Pacific Digestive Week (APDW), Taipei International Convention Center, Taiwan, 3-5 Dec 2015*
- 85 *Colorectal Cancer Screening: Risk Stratified Approach is Cost-effective @ GUT 2015-Annual Scientific Congress of the Malaysian Society of Gastroenterology & Hepatology, Persada Johor International Convention Centre, Johor Bahru, Johor, Malaysia, 21-23 Aug 2015*
- 84 *Early Detection of Gastric Cancer @ SGCC 8th Annual Scientific Meeting, Singapore, 22-23 Jul 2015*
- 83 *Translational Research for the Early Detection of Gastric Cancer. IMCB 30th Anniversary Mini-Symposium @ Biopolis Singapore, 7 May 2015.*
- 82 *Early Detection of Gastric Cancer. Singapore Health & Biomedical Congress 2014 (SHBC), MAX Atria @ Singapore EXPO, Singapore, 26-27 September 2014.*
- 81 *Management of Gastric Cancer: Recent Advances and How We Can Improve Outcome for Our Patients. Visit to Tzu Chi University @ Hualien, 23-25 March 2014.*
- 80 *Colorectal Cancer Screening: Risk Stratified Approach is Cost-effectiveness. 7th Asian Pacific Organisation for Cancer Prevention (APOCP), Taipei, Taiwan, 20-23 March 2014.*
- 79 *Re-defining The Management of Gastric Cancer. NMRC Awards Ceremony & Translational & Clinical Research Symposium 2014, Grand Copthorne Waterfront Hotel, Singapore, 26-27 February 2014*
- 78 *Re-Defining the Management of Gastric Cancer for the 21st Century. Seah Cheng Siang Memorial Oration, GIHep Singapore 2013, 27-30 June 2013.*
- 77 *Gene Expression Pattern and Subtypes of Gastric Cancer. 10th International Gastric Cancer Congress (IGCC) 2013, Verona, Italy, 19-22 June 2013*
- 76 *Potential Biomarkers for Early Detection of Gastric Cancer. 10th International Gastric Cancer Congress (IGCC) 2013, Verona, Italy, 19-22 June 2013*
- 75 *Should we select the high risk group for CRC Screening? Asia Pacific Working Group on CRC Screening Guideline Conference, Hong Kong, 9-10 June 2013.*

- 61 *Risk Stratification for CRC screening in Asia - The Asia Pacific Colorectal Screening (APCS) Score.* The Asian Pacific Digestive Week, Suntec Singapore International Convention & Exhibition Centre, Singapore, 1st-4th October 2011.
- 60 *Targeted screening for gastric cancer in intermediate-risk population in Singapore.* The Asian Pacific Digestive Week, Suntec Singapore International Convention & Exhibition Centre, Singapore, 1st-4th October 2011.
- 59 *Translational Research to improve Survival outcomes for Gastric Cancer.* Management of Gastric Cancer in Europe, The 1st San Raffaele Meeting, Milan, 16-17 September 2011.
- 58 *Improving Survival Outcomes in Gastric Cancer.* 21st Seah Cheng Siang Memorial Lecture, 45th Singapore Malaysia Congress of Medicine, Suntec Singapore International Convention & Exhibition Centre Friday, 22 July 2011.
- 57 *Translational Research to Improve Patient Survival in Gastric Cancer.* 4th Annual Scientific Meeting, The Singapore Gastric Cancer Consortium, Shaw Foundation Alumni House, NUS,

Singapore, 4-5 July 2011.

- 56 *Colorectal Cancer Screening - Methods and Schedules*. GUT 2011, Annual Scientific Meeting of the Malaysian Society Gastroenterology and Hepatology, Shangri-La Hotel, Kuala Lumpur, Malaysia, 27-29 May 2011.
- 55 *Screening for Liver Cancer - International Practice and Screening in Singapore*. 2011 International Conference of Changhua Screening for Hepatocellular Carcinoma, Changhua County, Taiwan, 28-29 April 2011.
- 54 *Evaluation of Liver Cancer Screening in Singapore*. 2011 International Conference of Economic Evaluation for Hepatocellular Carcinoma Screening, Changhua County, Taiwan, 28-29 April 2011.
- 53 *Translational Research to improve survival in gastric cancer*. Nishi-Takahashi memorial lecture, 9th International Gastric Cancer Conference, Coex Center, Seoul, Korea, 20- 23 April 2011.
- 52 *H.Pylori infection rather than GERD is the major cause of gastric cardia inflammation in a Singapore-Chinese cohort*. 9th International Gastric Cancer Conference, Coex Center, Seoul, Korea, 20- 23 April 2011.
- 51 *Translational Research to Improve Outcomes for Gastric Cancer*. Advanced Study Institute (ASI) Meeting, The University of Hong Kong, 23 to 27 January 2011.
- 50 *Screening for Carcinoma of the Stomach-What is the evidence and do we need to do it?* 3rd Chapter Post Graduate Course in Gastroenterology, Kent Ridge Guide House, Singapore, 13-14 November 2010.
- 49 *Dysphagia, Dyspepsia and Peptic Ulcer Diseases*. AY10/11 Third Year Dental Lecture Term II. NUHS Tower Block, Singapore, 2 November 2010.
- 48 *Translational Research to Improve Outcomes in Gastric Cancer*. Department of Medicine Research Forum, NUHS Tower Block, Singapore, 26 August 2010.
- 47 *Gastric Cancer – Who is at risk? Who should be screened?* Singapore Society of Oncology and Gastroenterological Society of Singapore Seminar titled 'New Advances in Multi Disciplinary Management of Gastric Cancer', Grand Copthorne Waterfront Hotel, Singapore, 14 November 2009.
- 46 *Screening for GC in Singapore: an Update from SGCC*. NHG Annual Scientific Congress, Suntec Singapore International Convention & Exhibition Centre, 16th & 17th October 2009.
- 45 *Translational Research on Gastric Cancer in Singapore*. 68th Annual Meeting of the Japanese Cancer Association, Pacifico Yokohama, Japan, 1-4 October 2009.
- 44 *Colorectal Cancer Screening - Is An Individualised Approach feasible?* Asia Pacific Digestive Week 2009, Taipei, Taiwan, 27-30 September 2009
- 43 *Colorectal Cancer Screening Evaluation in Singapore*. 6th International Asian Conference on Cancer Screening, Seoul, Korea, 17-19 September 2009.
- 42 *Colorectal Cancer Screening - How Do We Do It?* GUT 2009, Awana Porto Malai, Pulau Langkawi, Malaysia, 14-16 August 2009.
- 41 *Risk Stratification for Gastric Cancer*. GUT 2009, Awana Porto Malai, Pulau Langkawi, Malaysia, 14-16 August 2009.
- 40 *Seeking Answers to Key Issues in Gastric Cancer*. Duke-NUS GMS Seminar Series, Singapore, 4 August 2009.
- 39 *Gastric Cancer Epidemiology, Clinical and Genetics Programme (GCEP)*. 2nd Annual Scientific Meeting, The Singapore Gastric Cancer Consortium, Singapore, 21-22 July 2009.

- 38 *Clinical Trial and Imaging Research for Detection of Early Gastric Cancer.* National Cancer Centre Thematic Seminar - Gastric Cancer, Singapore, 17 July 2009.
- 37 *Colorectal Cancer Screening 2009.* GIHep Singapore 2009, Grand Copthorne Waterfront Hotel, Singapore, 18-21 June 2009.
- 36 *Translational Research in NUHS –Improving Outcomes for Gastric Cancer.* Hebrew University, Jerusalem, 21-25 March 2009.
- 35 *Challenges and Approaches for Biomarker Discovery and Validation in Gastric Cancer.* ASI Cancer Biomarkers, Cheung Kung Hai Conference Centre, LKS Faculty of Medicine, The University of Hong Kong, 30 March to 4 April 2009.
- 34 *What We Do & How You Can Contribute.* NHG Institute of Healthcare Leadership Course on 'Becoming an All Rounded Consultant, Singapore, 11-13 February 2009.
- 33 *Disorders of GIT.* Lecture to AY2008/2009 Year 1 Medical Students, Singapore, 19 January 2009.
- 32 *Screening & Prevention of Gastric Cancer.* National University Cancer Institute GP CME Symposium, Singapore, 17 January 2009.
- 31 *The 2009 Guidelines on Colorectal Cancer Screening.* MOH-Mayo Clinic Update on Gastroenterology, Singapore, 16 January 2009.
- 30 *Clinical Studies in SGCC.. 1st Annual Scientific Meeting,* The Singapore Gastric Cancer Consortium, Singapore, 17-18 July 2008.
- 29 *New Techniques for Detection of Early Gastric Cancer.* AACR Annual Meeting 2008, San Diego, California, United States, 12-16 April 2008.
- 28 *Working Model of Cancer Screening in Singapore.* 4th International Asian Conference on Cancer Screening, Taiwan, 2007, 8 – 12 October 2007.
- 27 *Risk stratification of population may be useful to prioritise screening – illustrated by colorectal cancer screening.* 4th International Asian Conference on Cancer Screening, Taiwan, 2007.
- 26 *Improving Outcomes for our Patients with Gastric Cancer.* GI Hep Singapore 2007 Singapore, 2-4 March 2007.
- 25 *NSAID-Relation GI Complications: Recognise the Problem and Take Action!* GI Hep Singapore 2007, 2-4 March 2007.
- 24 *NSAIDs & Low dose aspirin.* 2nd annual Teaching Course, Bukit Tinggi Resort, Pahang, Malaysia, 19-20 August 2006.
- 23 *Gastric Cancer – Multi-disciplinary Research Collaboration to improve outcomes for our patients.* NUH/NUS Research Grand Round, Singapore, 28 April 2006.
- 22 *A Brave New World.* BioBiz 2006, Biopolis, Singapore, 11 March 2006.
- 21 *Gastric Cancer : Host- Pathogen- Environmental Interactions.* A*STAR Life Gene : Exploring Gene-Environment Interactions in Health & Disease. Biopolis, Singapore. 12 Jan 2006.
- 20 *Colorectal Cancer in Asia: Results of A Multi-National Epidemiology Survey and Implications for Screening.* Second International Asian Conference on Cancer Screening, Taipei, 21-22 November 2005.
- 19 *Gastric Cancer Biomarker Discovery.* International Biomarker Discovery Consortium Conference, Fred Hutchinson Cancer Centre, Seattle, USA. 11-12 October 2005.

- 18 *How to write successful grants*, Tan Tock Seng Hospital, Singapore, 22 September 2005.
- 17 *Team Work: The way to efficient and effective patient care*. Student Medical Education Conference, Clinical Research Centre, Singapore, 9-10 September 2005.
- 16 *Gastric Cancer Epidemiology and Genetics Programme (GCEP)* Biomedical Research Council-Singapore cancer Syndicate Symposium on "Frontiers in Cancer Research", Biopolis, Singapore, 27 May 2005.
- 15 *Should We Now Screen for Gastric Cancer ?* The Cancer Institute Grand Rounds, National University Hospital, Singapore. 27 May 2005.
- 14 *Cancer Screening in Singapore*. First International Asian Conference on Cancer Screening, Taipei, 25-26 October 2004.
- 13 *Helicobacter Pylori Infection In Singapore: Disease Outcomes In A Multi-Ethnic Population*. Helicobacter pylori Symposium, Japan-Digestive Diseases Week 2000, Kobe, November 2000.
- 12 *Endoscopic Ultrasound*. Invited Lecture and Workshop demonstration, Selayang Hospital, Kuala Lumpur, Malaysia. 10-11 July 2000.
- 11 *Genetics of Colorectal Cancer*. 3rd NUH- Faculty of Medicine Annual Scientific Meeting, Singapore, 28-29 August 1999.
- 10 *Helicobacter pylori: Differences between the East & West and implications for management*. World Congress of Digestion, Beijing, China, 19-22 October 1998.
- 9 *Topical Issues in Gastric Cancer*. Gastroenterology Diseases Conference, University of Medicine of Ho Chi Minh City, Vietnam, 28-29 August 1998.
- 8 *Endoscopic Ultrasound for the staging of Gastric Cancer*. International Workshop on Gastric Cancer, National University Hospital, Singapore, 3 August 1998.
- 7 *Role of Helicobacter pylori in the aetiology of Gastric Cancer*. International Workshop on Gastric Cancer, National University Hospital, Singapore, 3 August 1998.
- 6 *Screening and Early Detection of Colorectal Cancer*. Annual Scientific Meeting, National University Hospital, Singapore, 1 August 1998.
- 5 *Impact of Magnetic Resonance Cholangio-Pancreatography*. Advanced ERCP course, Digestive Disease Center, Medical University of S Carolina, 23 January 1997.
- 4 *Prospects for Magnetic Resonance Cholangio-Pancreatography*. Digestive Disease Centre Grand Rounds, GI Dept, Medical University of S Carolina. 9 December 1996.
- 3 *Chilli and Capsaicin: evidence for a gastroprotective effect*. Digestive Disease Centre Grand Rounds, Medical University of S Carolina, 3 October 1996.
- 2 *Gastrointestinal Physiology*. Lecture to postgraduate surgical trainees for FRACS, National University of Singapore, 15 January 1996.
- 1 *Irritable Bowel Syndrome*, Core Lecture to Internal Medicine Trainees, Ministry of Health, Singapore, 19 November 1994.

- 2) Lallemand M, Amzal B, Urien S, Sripan P, Cressey TR, Ngo-Giang-Huong N, et al. Antiretroviral Intensification to Prevent Intrapartum HIV Transmission in Late Comers. The 8th IAS Conference on HIV Pathogenesis, Treatment and Prevention. 19-22 July 2015. Vancouver, British Columbia, Canada (Oral presentation).
- 3) Sripan P, Ingsrisawang L, Amzal B, Le Coeur S, Cressey TR, Lallemand M, Urien S. A Sample Size Calculation of Bayesian Design for Superiority Trials with Rare Events. The 2016 IAENG International Conference on Scientific Computing. 16-18 March 2016. Kowloon, Hong Kong (Oral presentation).
- 4) Banlengchit R, Rianthap Kamonpan, Sripan P, Chitapanarux I, Tharavichitkul Ekasit, Chakrabandhu S, et al. Results of curative radiotherapy in advanced esophageal cancer patients. The Federation of Asian Organizations for Radiation Oncology (FARO). 25-27 November 2016. Kyoto, Japan (Oral presentation).
- 5) Chitapanarux I, Sruamsiri R., Klunklin P, Sripan P. Cost-effectiveness analysis of exemestane versus chemotherapy in post-menopausal hormonal responsive advanced breast cancer patients. ESMO Asia 2017 Congress. 17-19 November 2017. Santec, Singapore (Poster presentation). *Annals of Oncology* (2017) 28 (suppl_10): x26-x34. 10.1093/annonc/mdx654.
- 6) Chitapanarux I, Pisprasert V, Chitapanarux T, Chakrabhandu S, Jiratrachu R, Chottaweesak P, Rasio W, Sripan P, Traisathit P. Immune-enhanced nutritional intervention in cancer patients treated with concurrent chemoradiotherapy. PENSA 2017. 19-21 November 2017. Manila, Philippines (Oral presentation)
- 7) Sripan P, Sriplung H, Pongnikorn P, Bilheem S, Virani S, Manesai P, Waisri N, Chirapong Hanpragopsuk C, Tansiri P, Khamsan V, Pongsombat M, Chitapanarux I. Subtype of Breast Cancer: Incidence Trends among Chiang Mai Population. Asean Cancer Registry Forum 2018, Bangkok Thailand, March 19-21, 2018
- 8) Chitapanarux I, Sripan P, Chumachote A, Tharavichitkul E, Chitapanarux N. Weight loss in cancer patients receiving radiotherapy with or without concurrent chemotherapy. PENSA 2018, Seoul, Korea, June 13-16, 2018
- 9) Manesai P, Waisri N, Hanpragopsuk C, Sripan P, Tansiri P, Khamsan V, Pongsombat M, Mawoot A, Chitapanarux I. The efficacy of a programme for finding early metastasis breast cancer by health volunteer in Chiang Mai Thailand. South East Asia Breast Cancer Symposium 2018: Patient Centered Care. Sarawak, Malaysia, August 3-5, 2018.

National Conferences

- 1) Sripan P, Ngo-Giang-Huong Nicole N, Traisathit P, Banchongkit S, Buranawanitchakorn Y, Pittayanon R, et al. Five Years Virologic Outcome to Nevirapine or Efavirenz Based Regimen in Mothers who Previously Received a Single Dose Nevirapine for the Prevention of Perinatal HIV and had a Satisfactory Virologic Response at 6 Months in 13th National AIDS Seminar in Bangkok, Thailand, 2011
 - 2) Sripan P, Sriplung H, Pongnikorn D, Virani S, Bilheem S, Chaisaengkhaum U, et al. Incidence and Future Trend in Female Breast Cancer among Chiang Mai Population at THASTRO conference in Udon Thani, Thailand, 2017
-

- 3) Sripan P, Chitapanarux I, Pongnikorn D, Maneesai P, Waisri N, Hanpragopsuk C, Tansiri P, Khamsan V, Pongsombat M. The Change of Mortality by Cervical Cancer and Breast Cancer before and after the Current National Policies of Screening among Chiang Mai Population at 20th Anniversary Lampang Cancer Hospital Conference in Lampang Thailand, 2019.

RESEARCH PROJECTS

- 1) Trends in Female Breast Cancer Subtypes Among Chiang Mai Population
Start date: August, 2016 End date: August, 2017
Funding: Faculty of Medicine, Chiang Mai University Status: completed
- 2) The Impact of Screening for Cervical and Breast Cancers on Survival among Chiang Mai population in Northern Thailand: Population-Based Study
Start date: April, 2018 End date: March, 2019
Funding: Prevention Cancer Foundation (PCF), UICC Status: completed
- 3) The Change of Mortality Rate of Women with Breast Cancers before and after the Implementation of Opportunistic Screening Programme among Chiang Mai Population
Start date: August, 2018 End date: September, 2019
Funding: Faculty of Medicine, Chiang Mai University Status: completed
- 4) The Change of Mortality Rate of Cervical Cancer Patients before and after the Implementation of Organized Screening Programme among Chiang Mai Population
Start date: August, 2018 End date: September, 2019
Funding: Faculty of Medicine, Chiang Mai University Status: completed
- 5) Association of Lung Cancer Incidence, Mortality and Survival with Spatial Factors in Asia
Start date: March, 2019 End date: December, 2021
Funding: The European Society for Medical Oncology (ESMO) Status: Ongoing

OTHER SKILLS AND ADDITIONAL INFORMATION

- The workshop on Big Data with Stochastic Process, Faculty of Public Health, Khon Kean University, Khon Kean, Thailand. January 31- February 3, 2020
 - Good Clinical Practice, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand. July 5-6, 2018
 - UICC-IARC Technical Fellowship, IARC, Lyon, France. April 2-30, 2018.
 - The workshop on Cancer Epidemiology Research and Publication, Faculty of Public Health, Khon Kean University, Khon Kean, Thailand. December 4-8, 2017
 - Cancer survival workshop 2017, Faculty of Medicine, Siriraj Hospital, Mahidol University and London School of Hygiene and Tropical Medicine in Bangkok. November 13-17, 2017
 - Young investigator training by National Research Council of Thailand.
 - Training Workshop on Modeling Methods for Health Economic Evaluation, Health Intervention and Technology Assessment Program. August 9-11, 2017
 - Introductory Workshop to Health Economic Evaluation, Health Intervention and Technology Assessment Program. August 7-8, 2017
 - IARC Summer School: Cancer Survival Method for Cancer Registries, Lyon, France. June 19-23, 2017
 - The Bayesian workshop 2014, London, UK. June 11-13, 2014
 - The Bayesian workshop 2013, Rotterdam, Netherlands. May 21-23, 2013
 - Mathematical Modelling Workshop by Center for Communicable Disease Dynamics, Harvard School of Public Health, Faculty of Tropical Medicine, Mahidol: A Practical Short Course on Infectious Disease Modelling at Mahidol University, Bangkok, Thailand. June 17 – 19, 2012

EDUCATION

Diploma in Sexual and Reproductive Health and Rights, ITP 5, Sida program,
Lund University, Malmo, Sweden (2017)

Master of Public Health(MPH)-Tracking in SRHR (Sexual and Reproductive Health and Rights), Royal Tropical Institute (KIT), Amsterdam, The Netherlands(2014-2015)

Thesis title: Reproductive Health Commodities Security to address the unmet need for family planning in Myanmar

Master of Public Health(MPH), General Track, University of Public Health, Yangon, Myanmar (2008-2009)

Thesis title: Risk factors of Malaria in migrant workers

M.B.,B. S., University of Medicine (2), Yangon, Myanmar (1996-2003)

AWARDED CERTIFICATE

- (1) Certificate of Achievement for the completion of the training on **"Empowering Women Leaders"** by Dale Carnegie & Associates, Inc. at New Delhi, India on June 2013.
- (2) Certificate for successfully participation in the **"Workshop on Improving Skills in Research Management & Leadership"** supported by Research and

Human Reproduction, WHO, Geneva at Department of Medical Research, Upper Myanmar on October,2012.

(3) Certification on attending the training of **"Public sector Reforms and management for Senior Managers"** at Myanmar-Singapore Training centre on October 2011 conducted by Civil Service Collage of Singapore.

(4) Certification and appreciation for completion of the all four phases in the Advanced International Training Programme on **"Child Survival- Reaching the target (MDG4)"** sponsored by Swedish international Development Cooperation Agency at Uppsala University, Sweden.

INTERNATIONAL TRAINING AND MEETING EXPERIENCE

(1) Track 20 Monitoring & Evaluation Training for advancing Family Planning Monitoring, Nairobi, Kenya on March 2018

(2) Global Statistics Workshop for Family Planning 2020, Washington DC, February 2018

(3) 9th Asia Pacific Conference on Reproductive and Sexual Health and Rights, Halong, Vietnam, November 2018

(4) UN side meetings for Reproductive Health Commodities Security , New York, September, 2017

(5) Regional workshop on International Training Programme on Sexual and Reproductive Health and Rights by Lund University/Sweden at Mombasa, Kenya on April, 2017

(6) Monitoring and Evaluation Officer Training on Track 20, Nairobi, Kenya on March, 2017

(7) UNFPA Supplies Partners' Meeting, Luxembourg on Nov 2016

(8) International Training Programme on Sexual and Reproductive Health and Rights, Lund University, Malmo, Sweden on Oct, 2016

(9) Training on Programme Planning and Management, WHO, SriLanka on June 2016

- (10) Track 2020 Training (Tracking of FP indicators by Avenir Health) at Bangkok on 17th- 22nd April, 2016
- (11) 8th Asia Pacific Conference on Reproductive, Sexual Health and Rights (as Oral presenter and Lead Rapporteur) at Nay Pyi Taw, Myanmar on 24th -26th , Feb 2016.
- (12) Regional workshop on Universal Health Care at WHO/SEARO on July, 2013.
- (13) WebIT training for web writing and updating at IT Department of WHO/SEARO on June, 2013.
- (14) Training on Monitoring and Evaluation, New Delhi, India arranged by WHO/SEARO on April, 2013.
- (15) Intensive Training on Health Financing and National Health Accounts and exercised on RMNCH subaccounts, WHO/ SEARO, April, 2013.
- (16) Regional Meeting on Family as Centre for Development, Bangkok, Thailand on March, 2013.
- (17) Technical Officer at Primary and Community Health Unit, Health System Department, WHO/SEARO, New Delhi, India for country health system strengthening from February to August, 2013.
- (18) Workshop on Child Survival-Reaching the Target at Hanoi, Vietnam on February, 2012.
- (19) Workshop on Monitoring the Universal Access to Reproductive Health at Bangkok, Thailand on October, 2011.
- (20) Workshop on Maternal Mortality Estimates at Bangkok, Thailand on October, 2011.
- (21) Advanced International Training Programme on "Child Survival- Reaching the target (MDG4)" at Uppsala University, Sweden on March 2011.
- (22) The 8th Asia Pacific Task Force Meeting on Prevention of Parents to Child Transmission of HIV and Syphilis at Vientiane, Lao PDR on November, 2010.

RESEARCH EXPERIENCES

- (1) Principal Investigator, Global Maternal Sepsis Study (currently doing)
- (2) Principal Investigator, Are we equipped with providing the right care: providers' and survivors' perspective on Gender Based Violence Services? (currently doing)
- (3) Principle Investigator, “Stakeholder Engagement and Landscape Analysis of Misoprostol distribution for prevention of postpartum haemorrhage (PPH) by Auxiliary Midwives in Chin State, Myanmar” (currently doing)
- (4) Principle Investigator of Sexual Behaviours and Contraceptive Use Among Young People in Shan State
- (5) Principle Investigator, Literature Review on Reproductive Health Commodities Security to address unmet need for family planning in Myanmar, 2015 for the requirements of Master of Public Health (SRHR track)
- (6) Co-investigator, Prevalence of Anaemia among Pregnant Women in Leway Township, MCH section, 2012
- (7) Co-investigator, Study on Provider's and Client's Perspectives on Quality Antenatal Care in Rural Myanmar, MCH section, 2011
- (8) Principle Investigator, Community Based Intervention to Improve the Newborn Health Care in Rural area, Myanmar, 2011 for the fulfillments of the training on Child Survival Training-Reaching the Targets by Uppsala University, Sweden.
- (9) Risk Factors of Malaria among the Migrant Workers at Palm Oil Plantation in Kaw Thoun, Tanintharyi Division, Myanmar, 2009 for the requirements degree of Master of Public Health
- (10) Study of Knowledge, Attitude, and Practice on Malaria and insecticide treated bed-nets (ITNs), 2009

PUBLICATION

- (1) Co-investigator, The potential of Task Shifting selected maternal interventions to Auxiliary Midwives in Myanmar: a mixed method study in BMC public Health (2018) 18:99

EMPLOYMENT HISTORY

Deputy Director (Maternal and Reproductive Health Programme), Ministry of Health and Sports (19th June 2017- up to now)

Recently, being promoted as Deputy Director in same program, in addition to the responsibilities of Assistant Director which are involving and managing in all activities of MRH program including the gender program, more responsible in supervisory role for program planning, implementation and evaluation.

- Currently, acting as the focal person for Gender program and the advocacy fact sheets and standard guideline on health care responses for survivors of Gender Based Violence are being developed.
- Taking responsible for introducing of new family planning method, Subcutaneous DMPA in routine FP program to reach to the hardest areas for the increased access and equity.
- Acting as country coordinator and principle investigator of Myanmar for Global Maternal Sepsis Study which is Multicounty study organized by WHO Head Quarter.
- Also coordinating to develop the SRHR policy
- Acting as Part time lecturer of SRHR subjects for MPH students and PhD (RH) students of OnGyN as well as supervisees and examiner of MPH thesis in University of Public Health and different Universities of Medicine

Assistant Director (Maternal Reproductive Health Programme), Ministry of Health (1st March 2014 -18th June 2017)

As Assistant Director of MRH program of Ministry of Health, take the responsibility and manage in all activities of MRH program including the gender program for planning, implementation, evaluation.

Also, take responsible for preparation of policy brief, development of policy, guidelines, IEC materials and training manuals, training and supportive

supervision of Basic Health staff, distribution of RH commodities, monitoring of program implementing status as well as operational research.

Recently, lead, organize and coordinate for development of guidelines on GBV Responses, tracking of FP 2020 indicators, Nationwide the Basic Emergency Obstetric and Newborn Care Training and Nationwide Implant Training to all public providers.

In addition, give the technical and administrative guidance to all RH partners like INGOs and NGOs as a central leading body of MRH in Myanmar.

Moreover, have to do other office administration and other adhoc activities.

Technical responsibilities –

- Involving in developing the RMNCH related guidelines (Health care responses for GBV survivors, MNCH program planning modules, Implant training, Basic Emergency Obstetric and Newborn Care, Referral Guideline and Contraceptive etc) for Basic Health Staffs as nationwide oriented approach.
- Developing the Family Planning 2020 two pager for policy brief to new government as a technical person
- Tracking the FP 2020 indicators as a lead Monitoring and Evaluation Officer of Myanmar
- Taking responsibility of important role in implementing of family planning program to increase the addition users of FP methods and to reduce unmet need for FP in Myanmar
- Preparing project proposal including budget estimation for MRH, family planning, reproductive health and other related fields.
- Managing the World Bank Budget for MRH activities as a focal person

- Managing all the logistics related to provision of necessary supplies and equipment starting from forecasting and quantification and distribution to the townships according to the needs for respective townships.
- Conducting advocacy meetings at Central, State/ Region and Township level (Basic Emergency Obstetric and Newborn Care and Family Planning etc)
- Continuous monitoring and supportive supervision of MRH and birth spacing service delivery to Basic Health Staff in grass root level
- Developing Post Training Assessments Tools and post training follow up assessment to the basic health staffs
- Promoting MRH services by coordination with UN agencies/ INGOs, NGOs & health care providers and implementers such as ObGyn, Pediatrician, State/ Regional Health Directors, District/ Township Medical Officers and Basic Health Staff & community leaders
- Involving in transforming of Maternal Death Review to Maternal Death Surveillance and Response to identify the three delays and immediate response of maternal deaths to reduce the maternal deaths, analysis and giving feedback recommendation to State/ Region and Township levels
- Participating as co-investigator in a number of operations research projects concerning quality of care in MCH, reproductive health and adolescent reproductive health
- Acting as a focal person for Reproductive Health activities collaborated with WHO (GAVI project) and responsible for preparing work plan, budget estimation, implementation, collection of liquidation, financing, report writing and coordination
- Organizing and involving the RMNCH related workshops and Technical Strategic Group Meeting at central level with all RH stakeholders

- Editing and broadcasting TV spot, mobile application and radio message concerning RH/ MCH
 - Implementing of RH services (training, support and supportive supervision) in emergency setting and conflict areas as a humanitarian approach
- Administrative responsibility -*
- Manage and administrate more than 10 clerical staff at the MRH section

Medical Officer (Maternal Reproductive Health Programme), Ministry of Health (23rd June, 2010 to 28th Feb, 2014)

As a medical officer in MRH section (central level), operate assistant to RH program Manager in the implementation of MRH program and involve in all the activities of central RMNCH program.

Technical responsibilities –

- Involving in developing the RMNCH related guidelines (Post Natal, Adolescent Reproductive Health, Intrauterine Device insertion, Post Abortion Care etc) for Basic Health Staffs as community oriented approach.
- Preparing project proposal including budget estimation for MRH, family planning, reproductive health and other related fields.
- Managing all the logistics related to provision of necessary supplies and equipment starting from forecasting and quantification and distribution to the townships according to the needs for respective townships.
- conducting advocacy meetings at State/ Region and Township level (Antenatal care promotion, Emergency Obstetric and Newborn Care, Birth spacing and Post abortion care, Essential Newborn Care, etc)
- facilitating in MCH/ RH trainings (Pregnancy, Childbirth, Postpartum and Newborn Care Training, Post Abortion Care Training, Quality Reproductive

Health Services Training, IUD insertion training, Implant Training, Minimal Initial Service Package on RH in Emergency etc)

- updating manuals & IEC materials (manual for Basic Emergency Obstetric Care, manual for Quality Reproductive Health Services and IEC such as poster, vinyl poster, flip chart and pamphlet for MCH/ RH) and making review and revise currently used record and reports such as AN register, AN record
- continuous monitoring and supportive supervision of MRH and birth spacing service delivery to Basic Health Staff in grass root level
- developing Post Training Assessments Tools and assessment to the basic health staffs
- promoting MRH services by coordination with UN agencies/ INGOs, NGOs & health care providers and implementers such as ObGyn, Paediatrician, State/ Regional Health Directors, District/ Township Medical Officers and Basic Health Staff & community leaders
- conducting maternal death review to identify the three delays to reduce the maternal deaths, analysis and giving feedback recommendation to State/ Region and Township levels
- participated as co-investigator in a number of operations research projects concerning quality of care in MCH, reproductive health and adolescent reproductive health
- acting as a focal person for Reproductive Health project collaborated with UNFPA Fund and WHO (VC Budget) from 2011 to May, 2013 and responsible for preparing work plan, budget estimation, forecasting and distribution of RH commodities, training and supervision, collection of liquation, financing, report writing and coordination of UN agencies
- organizing and involving the RMNCH related workshops and Technical Strategic Group Meeting at central level with all RH stakeholders

- implementing of RH services (training, support and supportive supervision) in emergency setting and conflict areas as a humanitarian approach

Administrative responsibility -

- manage and administrate the clerical staff at the MCH section

Assistant Lecturer, Department of Physiology, Institute of Medicine (1) (29th April, 2005 to 21st June, 2010)

As the teacher in Physiology Department, feel confident in teaching experiences, teaching styles and learning methods and also in qualified to teach the physiology subjects.

Technical responsibilities –

- Providing the lecture of physiology to second year medical students
- Teaching at tutorial of small groups students
- Demonstrating at the practical sessions
- Acting as guardian to the assign students
- Involving the exam board by correction of answer papers

Admin responsibilities-

- Filling and calculation of school attendants of students
- Taking the duties of invigilator
- Managing the clerical staffs

SKILLS

Program Management Skill:

- Feel in confident in RH program implementation like preparing annual work plan including budget estimation, proposal writing, and activities implementation, and financing, necessary administration and report writing.
- Leadership ability as manager of more than 10 clerical staff of MRH department

- Proven ability to coordinate to the UN agencies, INGOs and State/ Region and Township level implementers.
- Skills and confident in forecasting, procurement and distribution of RH commodities
- Proven ability to organize the training, meeting and coordination workshops or RH related activities

Research skill

- Ability to research proposal writing including construction of research questionnaires for both small scale qualitative studies and large scale quantitative studies
- Proven ability to collect the data especially can conduct the quality methods like Focus Group Discussion, Key Informant Interviews etc.,
- Ability to think critically and convey research findings meaningfully

Teaching and Presentation Skill

- Feel very confident in teaching experiences, teaching-learning methods, and Presentation
- Ability to do advocacy and public education for health information

Computer Skill

- Proven ability to make use of Microsoft Word, Excel and Power point
- Confident to analyze the data with SPSS software and have knowledge on STATA
- Ability to find the literature with the use of internet

Language Skill

- English-Good in all four skills

- Myanmar - Fluent as Mother Tongue

INTERESTS

Reproductive health and Rights, Equity, Gender, Health System
Strengthening

REFEREES

Curriculum Vitae

Patravoot Vatanasapt, MD

นพ.ภัทรวุฒิ วัฒนศัพท์

Faculty Appointment: Assistant Professor

Current Position:

- Chairman, Department of Otolaryngology, Faculty of Medicine, Khon Kaen University, Khon Kaen, Thailand
- President, International Association for Music and Medicine

Office Address: Department of Otorhinolaryngology, Faculty of Medicine, Khon Kaen University,
123 Mittraparp Road, Amphur Muang, Khon Kaen, Thailand 40002
Tel: 66-43-348-396 Fax: 66-43-202-490

E-mail: patvat@kku.ac.th

Fields of Interest & Specialty

- Head and Neck Surgery
- Otolaryngology
- Cancer Epidemiology
- Cancer Registry
- Music therapy / Music Medicine

Education:

- | | |
|------|--|
| 2007 | Master of Science in Epidemiology (Cancer),
Harvard School of Public Health, MA, USA |
| 2004 | Diploma in Facial Plastic Surgery and Reconstruction (Thailand) |
| 1999 | Diploma in Otolaryngology, Royal College of Otolaryngologists-Head and Neck
Surgeons of Thailand (RCOT).
Chulalongkorn University, Bangkok, Thailand |
| 1997 | Grad. Dip. in Clinical Science (Otolaryngology)
Chulalongkorn University, Bangkok, Thailand |
| 1993 | Medical Degree
Khon Kaen University, Khon Kaen, Thailand |

Visiting Fellowship

- | | |
|------|---|
| 2007 | Head and Neck Service, Memorial Sloan Kettering Cancer Center, New York,
USA |
|------|---|

Visiting Observer

- | | |
|------|---|
| 2007 | Department of Music Therapy, Berklee College of Music, MA, USA |
| 2007 | Department of Music Therapy, Beth Israel Medical Center, New York, USA |
| 2003 | Information Services Division, NHS, Edinburgh,
Scotland |
| 1998 | Department of Otolaryngology, Head Neck Surgery, Toronto General Hospital,
Ontario, Canada |
| 1998 | Head and Neck Center, Roswell Park Cancer Institute, Buffalo, New York, USA |

Experiences :

- | | |
|------|---|
| 2017 | Committee of the National Medical Committee for Otolaryngology, Thailand |
| 2015 | Elected, Administration Board of the Faculty of Medicine, Khon Kaen
University |
| 2015 | Assessor, Internal Quality Assurance, Khon Kaen University |

2014	Chairman of the Department of Otorhinolaryngology, Faculty of Medicine, Khon Kaen University
2014	Chairman for the Population-based cancer registry of Khon Kaen
2013	National Task Force for developing a clinical practice guideline for Thyroid cancer, Thailand (NCI)
2011	National Task Force for developing a clinical practice guideline for Laryngeal cancer, Thailand (NCI)
2010 -	Joint committee of Khon Kaen University Ethics Committee for Human Research
2010	Vice chairman of the Department of Otorhinolaryngology, Faculty of Medicine, Khon Kaen University
2010	Vice chairman of the committee for Evidence-based medicine, Faculty of Medicine, Khon Kaen University
2007	Administration committee, Clinical Epidemiology Unit, Faculty of Medicine, Khon Kaen University
2005	Subcommittee chair for Evidence-based medicine, Department of Otolaryngology, Faculty of Medicine, Khon Kaen University
2005	Cancer committee of Faculty of Medicine, Khon Kaen University
2004-2005	Working committee for Development of Cancer Information Network in Thailand, funded by Health Systems Research Institute.
2004-2005	Assistant Dean for International and Public Affairs, Faculty of Medicine, Khon Kaen University
2004-present	Subcommittee of Cancer Registry of Khon Kaen
2003-2004	Local researcher for project on Evaluation of the National Policy on Traffic Accident, Thailand
2001-2002	Assistant Dean for Academic Affairs, Faculty of Medicine, Khon Kaen University.
1996-1999	Residency training at the Department of Otolaryngology, Chulalongkorn hospital, Bangkok, Thailand
1993-1995	Department of Otolaryngology, Srinagarind Hospital, Khon Kaen, Thailand

Membership

Since 2018	Thai Society for Head and Neck Oncology (TSHNO) - Vice-President (2018-)
Since 2009	International Association for Music and Medicine (IAMM) - President (2016-) - Vice President (2014 -2016) - Secretary (2010 - 2014) - Founding member, Chair for Communication (2009)
Since 2006	Thai Cancer Information Network Thai Network for Cancer Registry
Since 2004	Association of Surgical Oncologist (Thailand), A.S.O.T.
Since 2003	Association of UICC Fellows
Since 1999	Royal College of Otolaryngologists of Thailand

Editor in Peer review journals

Since 2009	Music and Medicine Journal (Editorial board) Guest Editor for Special Issue 6(1) / 2014
Since 2009	Asian Pacific Journal for Life Science (Editorial board)
Since 2009	Thai Journal for Otolaryngology, Head and Neck Surgery (Editorial board)
2009 - 2011	Srinagarind Medical Journal (Manager)

Reviewer for peer review journals

- Cancer Epidemiology
- PLOS one
- Music and Medicine Journal

- Journal of Medical Association of Thailand
- Journal of Culture Urban Research
- Thai Journal for Otolaryngology, Head and Neck Surgery
- Songklanagarind Medical Journal
- Srinagarind Medical Journal
- KKU Journal for Public Health Research

Certification of Training courses

- 2017 CITI Good Clinical Practice (1-GCP), Collaborative Institutional Training Initiative (CITI Program)
Record ID 6029549, Expiration Date 11-Jul-2020
- 2017 Thai 0 Human Subjects (1 - Basic course), Collaborative Institutional Training Initiative (CITI Program)
Record ID 23838543, Expiration Date 11-Jul-2020
- 2015 Conflict management workshop, the Twelves Tools, Miracle Grand Hotel, Bangkok, Nov.23-25, 2015
- 2015 Certification course of EPEC Trainer, approved by the Education in Palliative and End-of-life Care (EPEC) Project and Thai Palliative Care Society
- 2015 *To View, To Communicate, and To Be* : Follow up Course for Introduction to Contemplative Education: Mahidol University, May 9-11, 2015
- 2014 *Certificate in Music Therapy & Clinical Improvisation*, Nordoff-Robbins Music Therapy Center, New York University,
- 2014 *Short Course for Contemplative Education*, Mahidol University, February - March 2014
- 2012 *Good Clinical Practice* Training Course organized by The Khon Kaen University Ethics Committee for Human Research and The Research Affairs of the Faculty of Medicine, Khon Kaen University, March, 6, 2012
- 2012 *Asian Music and Creative Art Therapy Summit*, Chulalongkorn University, 27 June - 2 July 2012
- 2011 *Palliative care for medical staff*, Khon Kaen University, Aug 2011
- 2010 *Health System Management*, Khon Kaen University, 2-30 June 2010
- 2010 *Therapeutic uses of Music*, Mahidol College of Music, Bangkok, March 2010
- 2008 *Evaluation for Cancer Screening*, Pre-congress for the 5th Asian International Conference on Cancer Screening, 8-9 September 2008
- 2006 *Analysis of Time Trends Workshop*, Faculty of Medicine, Prince of Songkla University, Thailand, January 10-13, 2006
- 2004 *Community-Based Cancer Prevention for The Asian Pacific Countries -Epidemiological Approach-*, JICA, Japan, 16 Feb to 29 Mar 2004
- 2003 *Cancer Registration and Application in Epidemiology*, IARC, Lyon, France, 26 May to 13 June 2003
- 1999 *Cancer Epidemiology, Principle and Method*, International Association of Cancer Registration(IACR), WHO, Khon Kaen, Thailand
- 1996 *FESS & Rhinology course*, Siriraj Hospital Bangkok, Thailand
- 1995 *Temporal bone surgery course*, Rajvithee Hospital, Bangkok, Thailand

Awards

- 2018 Khon Kaen University Alumni Pride Award, for the Faculty of Medicine, KKU
- 2016 The 3rd Prize of Research competition in the Annual Conference of the Royal College of Otolaryngologists-Head and Neck Surgeon 2016, The effects of music listening on sleep quality in preoperative patients for otolaryngology surgery
- 2013 Prestige Award of the Year 2013, Faculty of Medicine, Khon Kaen University
- 2013 Autistic Khon Kaen Award (2012), Khon Kaen Autism Parents Association, Thailand
- 2005 Outstanding Teacher in Post-graduated Training, Department of Otolaryngology, Faculty of Medicine, Khon Kaen University
- 2000. Outstanding Resident, Department of Otolaryngology, Faculty of Medicine, Chulalongkorn University
- 1993. Outstanding Medical Student (the 6th year medical student), Faculty of Medicine, Khon Kaen University
- 1993 Awards for the highest grade of the 6th year medical student, in SURGERY, ORTHOPEDICS, MEDICINE, PEDIATRICS

Charity

2012-	Committee for Christian Foundation for the Blind in Thailand Under the Royal Patronage of H.M. the King (Khon Kaen)
Since 2001	Vice chairman of the Fund for the Laryngectomy of the Northeast of Thailand
Since 1998	Volunteer in Thai Rural Ear Nose & Throat Foundation
Since 1997	Volunteer in Ear Surgery Mobile Unit of Thai Red Cross

Invited International speakers

OTOLARYNGOLOGY

1. Moderator in the Symposium on the Management of Neck Metastasis, at the International Federation of the Otolaryngology-Head and Neck Surgery, Head and Neck World Tour 2008, Bangkok, Thailand (October 2008)
2. Management of Neck metastasis, at the New concepts in Head and Neck cancer, the international course, at Rajavithi Hospital, Bangkok, Thailand (2008 - 2017)
3. The Future trends in Head and Neck cancer research, at the ASEAN Otorhinolaryngology conference, Chiang Mai, Thailand (2015)
4. Management of Oropharyngeal cancer, at the ASEAN Otorhinolaryngology conference, Chiang Mai, Thailand (2015)

CANCER Epidemiology

1. The epidemiology of oral cancer in Thailand, at the first international conference on betel quid and health, Taipei Medical University, Taiwan (March 2012)
2. Design of population-based colorectal cancer screening in Thailand, at the International Symposium of Fecal Hemoglobin Concentrations and Colorectal Cancer Screening" , Cheng-Ching Hospital, Taiwan (28 July 2013).
3. Challenge and Opportunities in cancer surveillance in Thailand, in the UM-Thai Symposium on Cancer and NCDs at the University of Michigan, Ann Arbor, Michigan, USA (24-25 Aug 2016)
4. Epidemiology of Oral cancer in Thailand, in the Asian Conference of Cancer Screening, at Taipei Medical University, Taiwan (October 2017)

MUSIC MEDICINE

1. Role of music in cancer control, at The inaugural conference for the International Association for Music and Medicine, Limerick, Ireland (June 2009)
2. Music therapy in Cancer Care, at the 1st ASEAN Music and Creative Arts Therapy Summit, Chulalongkorn University, Bangkok, Thailand (28 June 2012)
3. Music for bridging the gaps in cancer care, at the International Conference on Music Therapy, Pondicherry, India (Feb 2013)
4. Tracheomelodica, A new device for pulmonary rehabilitation in laryngectomized patients, at the 3rd International Conference of the International Association for Music and Medicine, Toronto, Canada (June 2014)
5. Integrating Music into a Medical Practice, an experience on using music in cancer care, at Berklee College of Music, MA, USA (June 2014)
6. Music therapy, an Integrative Approach in Cancer Care, at the 1st International Conference on Complementary Therapy for Cancer and Diseases (CTCD2014), at Holiday Inn Chiang Mai, Thailand (November 5 - 7, 2014)
7. Effects of Music on oxidative stress, at the 7th Biennial Meeting of Society for Free Radical Research-Asia, The Empress Hotel Chiang Mai, Thailand (December 2015)
8. How music reinforce medical education, the 4th International Association for Music and Medicine, Beijing, China (June 2016)
9. Music for Health and Wellness, the 8th International Conference on Nutrition and Physical Activity, Chiang Mai, Thailand (10-13 December 2017)
10. Music behind Medicine, Grand round, The Louis Armstrong Center for Music and Medicine, Mount Sinai Hospital, New York, USA (April, 16, 2018)

11. Music to reinforce medical education, the 5th International Association for Music and Medicine, Barcelona, Spain (7-9 June 2018)

Hands-on workshop instructor

1. Workshops on Dialogue & Contemplative education for Medical students / Medical personnels
 - CPIRD project (2016, 2017)
 - Rajavithree Hospital (2015)
 - National Hospital Accreditation Conference, Bangkok (2015)
 - Department of Otorhinolaryngology, Faculty of Medicine, Khon Kaen University (2014-2015)
 - Srisaket Hospital (2014)
 - The Faculty of Medicine, Mahasarakam University (2014)
2. Workshops on Music & Health for Medical students / Medical Personnels
 - Department of Pharmacology, Mahidol University (May, 17, 2018)
 - Srisaket Hospital (April, 27, 2018)
 - Tak Hospital (2016)
 - Songkla Hospital (2016, 2017)
 - Udon Provincial Hospital (2013-2016)
 - Nakhon Sawan Provincial Hospital (2012-2014)
 - Khon Kaen Hospital (2015)
 - Khon Kaen University (2012)
 - National Hospital Accreditation Conference, Bangkok (2015)
3. Head and Neck surgery in fresh cadavers (Khon Kaen University, Khon Kaen), 2010-2018
4. Head and Neck surgery in soft cadavers (Chulalongkorn University, Bangkok), 2010-2017
5. Temporal bone surgery in embalmed cadaver (Eye Ear Nose and Throat Institute, Rangoon, Myanmar), 2010
6. Temporal bone surgery in fresh cadaver (Khon Kaen University), 2011-2015
7. Endoscopic Sinus surgery and Skull-base surgery in fresh cadaver (Khon Kaen University), 2011-2012
8. Cancer Registration (National Cancer Institute), since 2008
 - Thailand, Laos(2014), Cambodia(2015), Myanmar(2015), Indonesia (2016), Myanmar (2017)

Member of Research Group

- Khon Kaen Head and Neck Oncology Research Group, Khon Kaen University (Founder, Chairman)
- HPV & EBV and Carcinogenesis Research Group, Khon Kaen University (Founding member)
- ASEAN Cancer Epidemiology and Prevention, Khon Kaen University (Founding member)

Patents

- **Tracheomelodica** (Thailand, 2015): A musical device for pulmonary rehabilitation in laryngectomized patient

Mass Media

DJ for the Radio Program

- Hug Radio, on Art - Music & life science, FM103 MHz, Khon Kaen University (2009 till now)

Magazine Columnist

1. Blink Brain / Music Experience / Creative Brain / Child Development, in *Modern Mom Magazine*, Thailand (Monthly Issue-since 2011, May - 2015, Aug)
2. *Health & Cuisine Magazine*, Thailand (2012, February)

Updated in May, 1, 2018

CURRICULUM VITAE

1. NAME PONGDECH SARAKARN

2. DATE OF BIRTH 24/10/1968

3. NATIONALITY Thai

4. ADDREDD & CONTACT NUMBERS

- Department of Epidemiology and Biostatistics, Faculty of Public Health, Khon Kaen University
123 Mittraphab Street, Muang city, Khon Kaen province, Thailand
Tel: 066-43-347637, Fax: 066-43-362075, Mobile: 081-391-4664
Email: spong@kku.ac.th

5. ACADEMIC POSITIONS

- **Associate Professor** in Biostatistics

6. EDUCATION

- **Doctoral of Philosophy**, Global Health Program in Biostatistics, College of Public Health, National Taiwan University, **Taiwan**, 2013-2017
- **Master of Sciences (Applied Statistics)**, Faculty of Science, University of Chiang Mai, **Thailand**, 1994-1997
- **Bachelor of Sciences (Public Health)**, Faculty of Public Health, University of Mahidol, **Thailand**, 1988-1991

7. MEMBERSHIP IN PROFESSIONAL SOCIETIES

- Member of The Thai Statistical Association
- Member of The Data Management and Biostatistics Network (DMBN)

8. KEY QUALIFICATIONS

- Biostatistics
- Statistical Method in Community Diagnosis
- Research methodology
- Questionnaire design
- Data processing and data analysis
- Health Assessment
- Longitudinal data anlysis
- Alcohol consumptions
- Cancer screening
- Model Analysis for Health Predictor
- Computer skills: Word processing, STATA, Epi Info, SPSS, EndNote, Excel, Access and PowerPoint.

9. EMPLOYMENT RECORD

From: August, 2016	TO: Present
Position	Associate Professor in Biostatistics
Organization	Department of Epidemiology and Biostatistics, Faculty of Public Health, University of Khon Kaen, Khon Kaen province, Thailand
From: September, 2007	TO: August, 2016
Position	Assistant Professor in Biostatistics
Organization	Department of Epidemiology and Biostatistics, Faculty of Public Health, University of Khon Kaen, Khon Kaen province, Thailand
From: May, 2002	TO: September, 2007
Position	Lecturer in Biostatistics
Organization	Department of Epidemiology and Biostatistics, Faculty of Public Health, University of Khon Kaen, Khon Kaen province, Thailand
From: April, 1998	TO: April, 2002
Position	Lecturer in Mathematics and Statistics
Organization	Department of Mathematics and Statistics, Faculty of Science and Technology, University of Rajabhat Loei, Loei province, Thailand
From: December, 1997	TO: March, 1998
Position	Senior Project Development Officer
Organization	AIDS Network Development Project (North East), Ubon Ratchathani province, Thailand
From: May, 1993	TO: November, 1997
Position	Resource Centre Officer
Organization	Thai-Australia Northern AIDS Prevention and Care Programme(NAPAC), Chiang Mai province, Thailand
From: May, 1992	TO: April, 1993
Position	Computer Data Analyst
Organization	HIV/AIDS Collaboration Centre, Nonthaburi province, Thailand
From: June, 1991	TO: April, 1992
Position	Monitoring and Evaluation Officer
Organization	Songkhla AIDS Prevention and Control Project, Songkhla province, Thailand

From: March, 1991	TO: May, 1991
Position	Research Assistant
Organization	Ministry of Public Health, Bangkok, Thailand

OVERVIEW

Graduated as a Medical Doctor (UKM) and as gazette specialist in Public Health Medicine Specialist in 2003. Specialized in the field of Maternal and Child Health and Health System Research. Having vast experience for more than 25 years working with the Ministry of Health Malaysia at Hospital and Health settings. Last assignment as Sabah Sate Director of Health, the highest state post in 2013. Opted for early retirement from the Ministry of Health to join the Faculty of Medicine and Health Sciences, Universiti Sabah Malaysia as a Senior Consultant and the Head of Community and Family Medicine Department. Intensively involve as a researcher in many important studies conducted by the Ministry such as National Health Morbidity Survey (NHMS) II and III. Had written and as co-author in many studies and publications in index journal with good citations. Has vast experience in presenting many Health Issues at local arena, National and also at international levels. Possess special skill and interest in Community Empowerment Projects, Community Participation, Community Engagement, Leadership Skill and Management in Public Health. Had accomplished the first full time training program for Master of Public Health by coursework for the faculty in 2015. This program has successfully achieved international APACPH Accreditation for the MPH Program in 2018. Presently responsible for another highest level of public health training program i.e. Doctor in Public Health (DrPH). This full time mixed-mode 3 years program started in September 2018. Presently, working with a strong and dedicated team to commence a few more postgraduate programs such as Advance Diploma in Environmental Health and Advanced Diploma in Occupational Medicine, BSc Primary Care and Postgraduate Program in Tropical Medicine and Health.

Name: Surachai Phimha

Faculty of public health, KhonKaen University, Thailand

Phone: +66868638339 **E-mail:** suraphi@kku.ac.th

Education:

- 2013 Bachelor of science program in environmental health science (First class honours), faculty of public health, Khon Kaen University.
- 2015 Master of public health in public health administration, graduate school, Khon Kaen University.
- 2019 Ph.D. in Epidemiology and Biostatistics (International Program), Khon Kaen University.

Skills:

Language: English (moderate level with academic IELTS 5.5), Thai (native)

Computer Skill: Microsoft Office, SPSS for windows, STATA

Experience:

- Plan & policy analyst at Chum Phae hospital, Khon Kaen province between 2015 and 2016.
- Public Health Technical Officer at Prachak Sinlapakhom health office, Udon Thani province between 2016 and 2018.
- Lecturer at faculty of public health, Khon Kaen University, Thailand.

Training:

- Cancer survival workshop 2017, Mahidol University, Bangkok, Thailand

Field research:

- Public health Administration
- Colorectal cancer

Research:

- Factors that affect the functional communication of sub - district health promoting hospital directors.
- Organizational climate and critical success factors affecting performance of family care team at sub-district level in Nongbua Lamphu province.
- Critical success factors and organizational climate affecting the research for solving health problem of public health officers at sub-district health promoting hospitals in Khon Kaen province.
- Health insurance and colorectal cancer survival in Khon Kaen, Thailand.
- The Time Interval in patients care process of colorectal cancer: A Hospital Based Study in Khon Kaen, Thailand.

Prof. Takahisa Matsuda

Director of Cancer Screening Center, National Cancer Center Hospital, Tokyo

Chief of Division of Screening Technology and System Development, Center for Public Health Sciences, National Cancer Center, Tokyo

Staff doctor of Endoscopy Division, National Cancer Center Hospital, Tokyo

1994–1998	Intern at Yamagata Pref. Central Hospital, Internal Medicine
1998-2001	Resident at Department of Gastroenterology and Endoscopy, National Cancer Center
2001-2003	Chief Resident at Department of Gastroenterology and Endoscopy, National Cancer Center Hospital, Tokyo, Japan
2003-2008	Staff of Endoscopy Division, National Cancer Center Hospital, Tokyo, Japan
2008-2015	Head of Endoscopy Division, National Cancer Center Hospital, Tokyo, Japan
2015.01 - 2005.12	Chief of Cancer Screening Division Research Center for Cancer Prevention and Screening National Cancer Center

MEDICAL TITLES

1994	Registration of Medical Lincence, No, 367418
2009	Degree of Doctor of Philosophy (Ph.D) from Dokkyo Medical University

BIO

Dr. Takahisa Matsuda is the Director of Cancer Screening Center/ Staff of the Endoscopy Division at the National Cancer Center Hospital, Tokyo, Japan. Dr. Matsuda is assigned additional post as the Chief of Division of Screening Technology, at the Center for Public Health Sciences, National Cancer Center.

Dr. Matsuda is licensed as a Professional Status of the Japan Gastroenterological Endoscopy Society (JGES), the Japanese Society of Gastroenterology (JSGE), the Japanese Gastroenterological Association (JGA) and the Japanese Society of Internal

Medicine. In addition, he is a member of the American Society of Gastrointestinal Endoscopy (ASGE), the Japanese Cancer Association (JCA) and the Japanese Society of Gastroenterological Cancer Screening (JSGCS).

Dr. Matsuda has been invited to perform as a faculty member and live demonstrator in numerous countries. He has a wide spectrum of research exposure and interests including 1. Colorectal Cancer Screening and Surveillance [Present Chief Conductor of the Japan Polyp Study (JPS)], 2. Magnifying Chromoendoscopy (MCE) and 3. Endoscopic Mucosal Resection for early colorectal cancer.

PROFESSIONAL STATUS

Japan Gastroenterological Endoscopy Society (JGES)

Japanese Society of Gastroenterology (JSGE) Japanese

Gastroenterological Association (JGA) Japanese Society
of Internal Medicine

Prof. Hyun-Soo Kim, M.D., Ph. D., AGAF.

Professor, Division of Gastroenterology, Department of Internal Medicine.

Lead, Big data research committee Yonsei University Wonju College of Medicine

Address: 20 Ilsan-Ro, Wonju, Kangwon-Do, 220-701, Republic of Korea.

BIOGRAPHY

PROFESSIONAL SPECIALTY

- Gastroenterology
- GI Endoscopy
- Colorectal cancer screening program
- IBD clinics

RESEARCH INTERESTS

- GI Cancer prevention, screening and surveillance
- Endoscopic treatment of GI tumor and clinical trials for gastrointestinal cancer
- Cancer epigenetics; DNA methylation, microRNA, and Histone modification
- Inflammatory bowel disease epidemiology

FULLTIME WORK EXPERIENCE

Aug. 2006 - Jul. 2008	Visiting Associate Professor M. D. Anderson Cancer Center, Epigenetics Research Center
Mar. 2010 – Current	Professor, Yonsei University Wonju College of Medicine
Apr. 2011 - Mar. 2013	Chief director, Scientific committee, KASID
Apr. 2013 - Mar. 2015	Chief director, International committee, KASID
Nov. 2013 - Nov. 2015	Chief director, Scientific Board, Korean Society of Gastroenterology
Dec. 2013-Dec. 2017	Chairman, Epidemiological committee, Asian Organization for Crohn's and Colitis (AOCC)
Nov. 2015 – Current	Chief director, Big data research committee, Korean Society of Gastroenterology

Name: Dr Rozita binti Hod
Appointment status: Full Time/Permanent
Academic position: Associate Professor
Qualifications & granting institution: M.D (UKM), Master in Community Medicine (Environmental Health)
PhD (Environmental & Development) (UKM)
Citizenship: Malaysian
Years of work experience: 25 years; 1993-2008 (Ministry of Health), 2008-current (UKM)
Annual Practising license (APC) No: 30633
Malaysian NSR (National Specialist Registry) No: 127702

Academic responsibilities:

- Undergraduate & Post graduate teaching - Supervising postgraduate students (Master, Doctorate of Public Health & PhD)
- Program Coordinator for Master of Public Health (MPH)
- Member of Malaysian Conjoint Board for Public Health Training
- Member of College of Public Health Medicine, Academy of Medicine, Malaysia.

Research interest and projects: Climate change & impacts on health.

1. Association of Dengue serotypes with the incidence of Dengue Fever and Dengue Haemorrhagic Fever in Negeri Sembilan, Malaysia (Principal Investigator)
2. Eco-EID Research: Community Participation in Combating Dengue in Malaysia. 2011. (Project Leader)
3. Economics of Climate Variability: A case study on dengue. (Team member)
4. Environmental factors associated with malaria susceptibility area in Sabah, Malaysia using remote sensing data and GIS technique. FF-2015-367 (Dana Fundamental)
5. The impact of haze and air pollution on hospital admission for cardiovascular and respiratory diseases: Time series and case cross-over study in UKMMC. FF-2016-183 (Dana Fundamental)
6. Vulnerability analysis to communicable diseases and assessment of environmental health preparedness, response and recovery following the severe river basin flooding in Kelantan. FRGS/1/2015/SKK07/UKM/02/3.

Involvement in professional organisations:

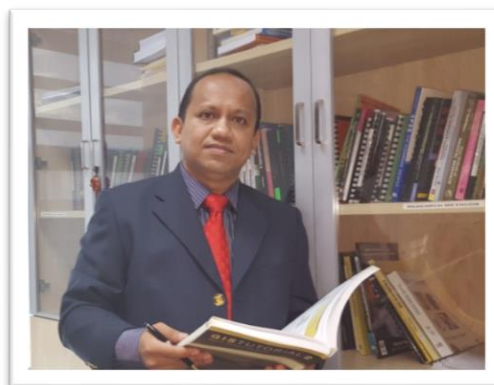

- 1) Ordinary member for Association of Malaysian Public Health Physicians
- 2) MYSEE (Malaysian Society for Environmental Epidemiology): Secretary
- 3) Member of Academy of Medicine (College of Public Health)
- 4) Islamic Medical Association Malaysia

Participation in continuing education and community service:

- 1) ASEAN University Network Quality Assurance Conference. 27th-28th March 2017. UKM.
- 2) Persidangan Kajian Bencana Banjir 2014. 4-7th April 2016. Pullman Putrajaya.
- 3) Malaysia One Health University Network Emerging and zoonotic diseases Colloquium. 14-15th April 2016. Hilton Kuching Sarawak.

CURRICULUM VITAE

MOHD ROHAIZAT BIN HASSAN, MD, MCommMed, PhD
Associate Professor, Dr.

A. BIODATA

Institution : Department of Community Health
 Faculty of Medicine
 Universiti Kebangsaan Malaysia
 Jalan Yaacob Latiff, Bandar Tun Razak
 Cheras, 56000 Kuala Lumpur

Telephone No. : Tel : +603-91458785
 Fax : +603-91456670
 H/P : +6012-6343303
 Email : rohaizat@ppukm.ukm.edu.my

Web of Science/ResearcherID: C-9753-2017
 Publons : <https://publons.com/researcher/2148232/associate-professor-dr-mohd-rohaizat-hassan/>
 Scopus : <https://www2.scopus.com/authid/detail.uri?authorId=55259986300>
 ORCID : <http://orcid.org/0000-0002-4658-6532>
 Google Scholar : https://scholar.google.co.jp/citations?user=2CNb_QEAAAAJ&hl=en&authuser=1

Current Designation : Associate Professor

B. ACADEMIC OR DEGREE QUALIFICATIONS:

MD (USM)
 M.Community Medicine [Epidemiology&Medical Statistics](UKM).
 PhD in Medical Science (Niigata)

Field(s) of Specialization: Epidemiology and Medical Statistics

Current Research Interest: Infectious Diseases / Tropical Diseases / Outbreak Management / Infection Among Elderly

C. WORKING EXPERIENCES

1. Aug 1998-July 1999 : Houseman Officer, Hospital Kuala Lumpur
2. Aug 1999- Jul 2002 : Medical Officer, Hospital Kuala Lumpur
3. Aug 2002- May 2004 : Assitant Director, Medical Development Division,Ministry of Health Malaysia
4. Aug 2004- May 2009 : Trainee Lecturer, Department Of Community Health, Faculty Of Medicine,UKM
5. Jun 2009 - Oct 2016 : Medical Lecturer, Department Of Community Health, Faculty Of Medicine,UKM
6. Nov 2016- now : Associate Professor, Department Of Community Health, Faculty Of Medicine,UKM

D. PROFESSIONAL RECOGNITIONS & MEMBERSHIPS

1. Registered Medical Practitioner with Malaysian Medical Council (MMC: 35174)
2. Gazetted Clinical Specialist (UKM) since 1st June 2009.
3. Gazetted Public Health Specialist (Government Gazettment No : 28720) since 1st July 2011

MOHD ROHAIZAT BIN HASSAN, MD, MCommMed, PhD
Associate Professor, Dr.

4. Registered with National Specialist Register (NSR: 132759)
5. Credentialed Consultant (Core Privilege in Public Health) by UKM Medical Centre Certificate of Credentialing since 2012 ((2.3.2016 – 1.3.2021)
6. Member of Academy of Medicine of Malaysia.
7. Protem Chairman of Malaysian Association of Epidemiology
8. Life Member of The Malaysian Public Health Physicians' Association
9. Life Member of Malaysian Society of Environmental Epidemiology

E. RESEARCH GRANTS - PRINCIPAL INVESTIGATOR

1. FF-2020-024. Dengue Outbreak Socio-Ecology Receptivity Matrix (DOSERM) for Dengue Control in Negeri Sembilan.
2. GUP-2019-081. Pemerkasaan Pendidikan berkaitan Pembasmian Aedes dan Denggi di kalangan Pelajar Sekolah: My Aedes Avengers Program (My-AAP).
3. FF-2019-328. Knowledge, Attitude and Practice of Unregistered Medicines among Patient with Chronic Illness at Klinik Kesihatan Bandar Kota Bharu, Kelantan, Malaysia.
4. FF-2019-008. Knowledge, Attitude and Practice toward Middle East Respiratory Syndrome Coronavirus (MERS-CoV) among Umrah Pilgrim Candidates.
5. FF-2018-229. Nutraceutical Use among Patients with Chronic Disease Attending Outpatient Clinics in Universiti Kebangsaan Malaysia Medical Centre.
6. FF-2017-247. Knowledge and Perception towards Supplementary Immunization Activities among Mothers in Cheras, Kuala Lumpur.
7. FF-257-2012. The Ambulance Response Time in Three Selected Hospital in Malaysia.
8. FF-267-2012. Knowledge and Practice of Breast Self Examination among Female Non-Medical Students in UKM, Malaysia.
9. FF-233-2012. Faktor-faktor yang Mempengaruhi Persepsi Ibu Terhadap Kecacatan Kanak-Kanak Klef di Hospital Kuala Lumpur.
10. FF-206-2012. Faktor-faktor Yang Mempengaruhi Pengetahuan, Sikap dan Amalan Mengenai Pemakanan Sihat Berdasarkan Panduan Diet Malaysia Di Kalangan Pelajar IPT di Daerah Hulu Langat.
11. FF-185-2011. Sokongan Sosial dan Penghargaan Kendiri Pesakit Skizofrenia di Hospital Kuala Lumpur.
12. FF-171-2011. Knowledge, Attitude and Practice of Asthma Food Taboos among Asthmatic Patient.
13. UKM-DIPM--0025-2010. Factors Associated with Men's Health Problems in The Urban and Rural Areas.
14. UKM-GGPM-TKP-066-2010. Factors Associated with Men's Health Problems in The Urban and Rural Areas.
15. FF-132-2010. Factors Associated with Prevalence of Anxiety and Depression among Breast Cancer Patients in Kuala Lumpur.
16. FF-091-2010. Factors Associated With the Dengue Haemorrhagic Fever among Populations in PPUKM.

F. RESEARCH GRANTS - CO - INVESTIGATOR

1. LRGS/1/2019/UKM-UKM/2/1. Understanding Risks Factors, Prevalence and Elements of Trajectories Among Adolescent Involved in Poly-drugs and ATS Abuse at Selected Hot Spots in Malaysia
2. FF-2019-475. Human-Macaque Interaction and Risk Of Plasmodium Knowlesi Malaria In Sabah
3. FF-2019-500. Estimating the Potential Impacts of Implementation of Sugar Sweetened Beverages Tax on Obesity in Malaysia
4. FF-2019-502. Estimating the Impact of HPV Vaccination on Cervical Cancer Incidence after 10 Years Program in Malaysia
5. LRGS MRUN/F1/01/2018/01. Delineation of the potential variables that may influence the spread of Zika disease
6. FF-2019-167 Seroprevalence of Zika Disease among The Population at Forest Fringe Area of Peninsular Malaysia
7. FF-2018-386. Developing New Dengue Risk Assessment Tool with Ecosystem Approach in Selangor.
8. FF-2018-378. Japan Agency for Medical Research and Development (AMED): Evaluating Universal Health Coverage of Ageing Population in Rural and Urban Settings in Malaysia.
9. FF-2018-349. Demographic and Survival Analysis of Non Hodgkin Lymphoma in a Malaysian Tertiary Referral Centre.
10. FF-2018-331. A Case-control study on Local Dietary Factors Related to Stomach Cancer among the Adult Population of Sabah.
11. FF-2018-299. Endometrial Pathology in Abnormal Uterine Bleeding: A Clinicopathological Study.

MOHD ROHAIZAT BIN HASSAN, MD, MCommMed, PhD
Associate Professor, Dr.

12. FF-2018-242. Research Competency among Academicians and Its Associated Factors in Faculty of Medicine, UKM.
13. FF-2018-195. Comparative Evaluation of Immunofluorescence Technique on Paraffin Embedded and Fresh Frozen Section in Renal Biopsies.
14. KRA-2017-026. Pemerkasaan Komuniti Melalui Pendidikan Kesihatan dalam Penyakit Tidak Berjangkit.
15. FF-2017-342. Modelling of Immunization Perceptions among Malaysian Adults.
16. FF-2017-223. Predictors of Survival in Patient with Dengue Infection: A Cohort Study with Mixed Method Approach in Hospital Canselor Tuanku Muhriz, Universiti Kebangsaan Malaysia Medical Centre.
17. FF-2017-169. Evaluation of Various Glaucoma Optical Coherence Tomography (OCT) Parameters in Normal, Preperimetric Glaucoma and Perimetric Glaucoma Group.
18. FF-2017-101. To Study the Utility of HBME-1 Expression in Differentiating Benign and Malignant Thyroid Lesions.
19. MYOHUN-2017-001. Risk factors for leptospirosis among urban service workers in Sabah
20. DCP-2017-016/1. Status kesihatan, kualiti dan keperluan hidup di kalangan wanita B40 (luar bandar dan miskin bandar) di Malaysia.
21. FF-2016-426. BD BACTEC Peds Plus/F Culture Vial versus Conventional Agar Culture Plates as the Culture Media for Microbial Keratitis (Bacterial & Fungal) - A Comparative Study in UKMMC.
22. FF-2016-392. Pengetahuan dan Amalan terhadap Penyakit Zoonotik dalam Kalangan Pemilik Kucing dan Hamster di Kuala Lumpur.
23. FF-2016-261. Perceived Susceptibility, Threat, Benefit of Screening and Self-Efficacy of Major Chronic Non-Communicable Disease among Young Adult people in Baghdad, Iraq.
24. FF-2016-283. Outcome of Modified Brostrom Gould Procedure Using Anchor Suture and Poplock Technique in Treating Patients With lateral Ankle Instability.
25. FF-2016-078. Procalcitonin as a Marker of Infection in Diabetic Foot Ulcers Classification.
26. FF-2014-374. Development of Digital Templating Software for Total Ankle Replacement.
27. FF-2013-365. Serological and Molecular Characterization of Dengue Virus in Concurrent Infection.
28. FF-240-2013. Factors Influencing Job Performance Among Nurses In University Kebangsaan Malaysia Medical Centre.
29. FF-120-2013. The Effects of Oral Sildenafil Citrate on the Retinal Nerve Layer Thickness and Visual Perimetry.
30. FF-096-2013. Associations of Smoking Status and Diabetic Retinopathy.
31. FF-076-2013. Knowledge, Attitude and Practice of Basic Life Support among Non-Medical Related Course University Students In Malaysia.
32. FF-220-2012. A Study on Traditional and Complementary Medicine (T&CM) Preferences among Patients Admitted to National University of Malaysia Medical Centre (UKMMC).
33. PTS-2012-080. Pembangunan Sistem Pengumpulan Data & Pengukuran Risiko Penyakit Tidak Berjangkit (My-Interactive-QS).
34. FF-217-2012. Study on the Impact on Interventional Program of Correct Insulin Injection technique amongst Type 2 Diabetes Patient in Primay Clinic.
35. FF-055-2012. Effect of Postural Changes on Mean Ocular Perfusion Pressure (MOPP) in Healthy Young Adults.
36. FF-438-2011. Tuberculosis Clustering and Its Associated Factors in Cheras, Kuala Lumpur.
37. FF-346-2010. Prediction of Risk of Chronic Pulmonary Disease (COPD) Exorcebation by the SAFE Index (Price-Safe Study).
38. FF-401-2011. The Effects of Phacoemulsification and Intraocular Lens Implant on the Pupil Size.
39. FF-247-2011. Molecular Detection and Phylogenetic Analysis of Dengue Virus Serotypes Prevalent in Malaysia.
40. FF-051-2011. Expression of CXCL 16 in Renal Cell Carcinoma and Its Correlation with Prognostic Clinico-pathological Parameters.
41. UKM-GGPM-TKP-067-2010. Developing New Index for Predicting Dengue Cases using Human, Entomological and Viral Data.
42. FF-146-2010. The Correlation of SAFE Index with Novel Biomarker in COPD Exacerbation.
43. FF-351-2009. Determining the Quality Of Life among Physically Disabled Teenagers.
44. UKM-GUP-SK-07-24-055. Spatial Analysis of Communicable Diseases in Kelantan.

J. PROFESSIONAL & CONSULTATION

1. Member of the Board of Governor, DSH Institute of Technology, Kuala Lumpur (Dec 2019-Dec 2022)
2. Panel Interviewer for the Master of Public Health Program (Ministry of Health & Conjoint Board for Public Health Program) for 2020-2021 intakes.
3. Chairman, Protem Committee, Malaysian Association of Epidemiology (2019- now)
4. Panel of Evaluation for Young Researcher Incentive Grant (Geran Galakan Penyelidik Muda) UKM 2019
5. Editor for Global Journal of Public Health Medicine (2020-2023)
6. Committee Member of the MoU/MoA Monitoring Committee, Faculty of Medicine UKM (2017-2020)

MOHD ROHAIZAT BIN HASSAN, MD, MCommMed, PhD
Associate Professor, Dr.

7. Committee Member of the Clinical Epidemiology Unit, UKM Medical Centre (2017-2020)
8. Committee Member of the 'Tropical Summer' Mobility Module, Faculty of Medicine UKM (2018-2020)
9. Academic Expert for Diploma of Environmental Health, DSH Institute of Technology, Kuala Lumpur (Jan – Nov 2019)
10. Committee Member of the Malaysia One Health University Network (MyOHUN) Table Top Exercise in Handling Disease Outbreak and Field Experiential Learning (2019)
11. Committee Member of the Curriculum Review for Diploma in Environmental Health Program, DSH Institute of Technology, Kuala Lumpur. (2019)
12. Editor for International Journal of Public Health Research (2010-2018)
13. Faculty Board Member for Master Science in Public Health-MSc.PH, University Malaysia Sabah (2018)
14. Committee Member of the Malaysia One Health University Network (MyOHUN) One Health Field Epidemiology Training (2018)
15. Committee Member of the Malaysia One Health University Network (MyOHUN) One Health Field Training for Emerging Zoonoses (2018)
16. Committee Member of the Malaysia One Health University Network (MyOHUN) Table Top Exercise on Zoonotic Disease: Application of the One Health Approach (2018)
17. Committee Member of the Safety, Health and Quality Committee, UKM Medical Centre (2016-2017)
18. Committee Member of the Malaysia One Health University Network (MyOHUN) Table Top Outbreak Exercise (2017)
19. Guest lecturer for Module DH 4259 Public Health, Faculty of Dentistry UKM (2015-2017)
20. Panel Interviewer for the Doctor of Medicine UKM undergraduates program 2016-2017 intakes.
21. Reviewer for International Journal of Public Health Research; Vol 6 (2) (Sept 2016)
22. Judge for Free Paper Presentation, 2nd International Public Health Conference & 19th National Public Health Colloquium (3-4th Oct 2012)
23. Invited lecturer (Biostatistics) for Bachelor of Optometry at Twintech International University College (2012)

K. NETWORKING & COLLABORATION

1. International Health Division, Graduate School of Medical and Dental Sciences, Niigata University, Japan (Prof Dr Reiko Saito).
2. Department of Ageing, Graduate School of Medical and Dental Sciences, Niigata University, Japan (Prof Dr Yugo Shobugawa).
3. Department of International Research and Cooperation, national Institute of population and Social Security research (IPSS), Japan (Dr Reiko Hayashi).
4. Faculty of Medicine and Health Sciences, Universiti Malaysia Sabah (Prof Dr Mohammad Saffree Jeffree).

##updated 2020; Apr 12th

CURRICULUM VITAE

Full Name : Ansariadi, SKM., M.Sc.Ph., Ph.D

Date of Birth : Tanah Beru, 09th January 1972

Sex : Male

Institution : Hasanuddin University,
School of Public Health, Department of Epidemiology

Position : Vice Dean on Academic, Research and Innovation

Work Address
: Hasanuddin University Campus
Jl. P. Kemerdekaan Km 10, Tamalanrea, Makassar, 90245, Indonesia
Phone : 0411 – 585658 (work) Mobile: +62 821 9600 8885

Email address: ansariadi@gmail.com

Academic Qualifications:

- Bachelor in Public Health-Epidemiology (FKM - UNHAS, 1995).
- Master of Science in Public Health-Epidemiology (Griffith Univ. Australia, 2004) with Asian Development Bank Scholarship (2005)
- PhD Monash University, Australia with Australian Development Scholarships (ADS) (2013)
- Visiting Scholar at Charles Darwin University, Australia, June 2009
- Visiting Scholar at London School Hygiene and Tropical Medicine – LSHTM, UK September – December (2015)
- Visiting Scholar at Northern Illinois University, USA, September 2016

Fields of Academic Interest

Has a skill on Geographic Information System (GIS) spatial mapping and on the ground work in maternal and infant health, air pollution, non infectious diseases and social determinants of health. Has also strong background on both ethnography and quantitative methods.

Employment History

2018 – 2022 Senior Lead/Principle Investigator Revitalizing Informal Settlements and their Environments (RISE) project. UNHAS – Monash University Research Collaboration

- 2015 – 2018 Research Collaborators at Australian Indonesia Centre (AIC).
Monash University – Hasanuddin University
- 2014 – 2016 Researcher at Eijkman Institute of Molecular Biology, Jakarta,
Indonesia
- 2012 - Now : Consultant of Maternal Health Program at Provincial Health
Office South Sulawesi Province (Dinas Kesehatan Propinsi
Sulawesi Selatan)
- 2012 – 2015 : Part time consultant at Regional Planning Board, South Sulawesi
Province.
- 2011 – 2014 : Counterpart researcher for Northern Illinois University (NIU)
USA – School of Public Health Millennium Development Goals
(MDG) Consortium
- 2005 – 2006 World Health Organization (WHO), National Program Officer
Health Information/Maternal and Child Health, Banda Aceh Field
office.
- 2004 – 2005 : Team Leader for Public Health Internship program
Collaboration between School of Public Health UNHAS –
WHO
- 2000 (June –Agt) : Consultant – Community Health and Nutrition Project, Asian
Development Bank (ADB). In Jayapura
- 1997 – now Lecturer/Researcher School of Public Health, Hasanuddin

Research Grants (last ten years)

- Revitalizing Informal Settlements and Their Environments (RISE). 2017-2022.
Senior Lead/Principle Investigator (PI). International Collaboration between
UNHAS and Monash Aniversity, Australia.
- Assessment of Non Communicable Disease and associated risks among
Indonesian adolescents 2016 – 2018. Funded by Australian Indonesia Centre.
Collaboration between Hasanuddin Universiy, Melbourne University and
Monash University Australia (PI)
- Evaluation of NCD risks, NCDs and NCD monitoring frameworks in Australia
and Indonesia, 2016 – 2018. Funded by Australian Indonesia Centre.
Collaboration between Hasanuddin Universiy, Melbourne University and
Monash University Australia (PI)

- Performance Monitoring and Accountability (PMA2020) Project For monitoring Family Planning Indicators in Indonesia. Collaboration with John Hopkins University, USA Batch I II, 2015 – Now. (CoPI)
- Formative Research for Pediatric Eye Health in Primary Health Centres and Hospitals in South Sulawesi. Funded by Helen Keller International (HKI), 2016 (PI)
- Performance Monitoring and Accountability (PMA2020) Project For monitoring Family Planning Indicators in Indonesia. Collaboration with John Hopkins University, USA Batch I, 2014 – Now. (CoPI)
- Intermittent Screening and Treatment or Intermittent Preventive Therapy for the Control of Malaria in Pregnancy in Indonesia (STOPMIP-Indonesia): Health System Study – study sites: Sumba and Timika 2014-2017 (CoPI). Collaboration between Eijkman Institute of Molecular Biology, LSTM, LSHTM, UK.
- Assessment of air pollution exposure due to traffic in Makassar, 2015.
- Evaluations of Children's Environmental Health in Eastern Indonesian Community Settings, Joint Research between NIU USA - UNHAS. 2011- 2013
- Building a public health geo database and GIS for Makassar, South Sulawesi. Joint research with Dr. James Wilson, NIU. USA (2011)
- Social and geographical determinants of pregnancy outcomes in South Sulawesi Province, Indonesia. PhD Project at Monash University, Australia (2008-2012)
- Assessment of maternal health services in Aceh province, Indonesia. In collaboration between WHO and Aceh Provincial Health Office (2005)
- Validating maternal and perinatal death in Aceh Tengah district (2006)
- Geographic Information System (GIS) Application in Health care (Phase I). In collaboration between School of Public Health Hasanuddin University and WHO. Including Maternal Health Program.(2005)
- Geographic Information System (GIS) Application in Health care (Phase II). Principle Investigator In collaboration between School of Public Health Hasanuddin University and WHO. Including Maternal Health Program. (2005)

Trainings

- 2017 SEAOHUN Problem Based-Learning for One Health, Kinabalu, Malaysia, 9-12 August 2017

- 2016 SEAOHUN Global Health Institute Training Program (SEAOHUN-GHI Training), Nha Trang, Vietnam, Sept – Oct .
- 2016 Food safety training. SEAOHUN, Nha Trang, Vietnam, Sept – Oct . Vietnam
- 2016 One Health Training (INDOHUN), Ciloto, Indonesia
- 2015 Reproductive Health Short Course, London School of Hygiene and tropical Medicine (:LSHTM)- London, Sept-Oct, UK
- 2014 Measles, Mumps and Rubella (MMR) Surveillance and Epidemic Investigation Training, CDC and MoH Indonesia, Jogjakarta. Indonesia
- 2013 Field Supervisor Training for FETP Indonesia, WHO and FETP Indoneisa, Jakarta, Indonesia
- 2012 Health Policy Training, Jaringan Peneliti Kebijakan Kesehatan Indonesian, Surabaya, Juni, Indonesia
- 2011 Basic Concept on Clinical Epidemiology, Indonesian Clinical Epidemiology and Evidence Based Medicine (ICE-EBM) Network, Jakarta, 19 – 20 April 2011, Indonesia
- 2011 Training on Cochran Systematic Review, Faculty of Nursing, Medicine and Health Science, Monash University, Melbourne, 2011
- 2010 Training on Multilevel Modeling, March 2010. School of Psychology and Psychiatry. Monash University. Melbourne Australia.
- 2010 Leverage for social change: Addressing the Social Determinants of Health Roundtable with Sir Michael Marmot, 27th January 2010, Monash University, Caulfield Campus. Australia
- 2009 Health and Equity Trining in the Asia Pacific Region, National Taiwan University College of Public Health, 7th Dec. Taipei
- 2009 New Perspectives on the Control of Infectious Disease, Infectious Diseases Research and Education Centre, National Taiwan University. 3rd Dec
- 2009 Survival Analysis Training, Dept. of Epidemiology and Preventive Medicine (DEPM) Monash University, Australia.
- 2007 STATA Package training, Department of Epidemiology and Preventive Medicine, DEPM. Monash University, Melbourne.
- Short course on Etnographic Research Method in Monash University
- 2002 International short course on Environmental Heath Risk Assessment. DEPM. Monash University, Melbourne. Australia

HUE UNIVERSITY
UNIVERSITY OF MEDICINE AND PHARMACY
06 Ngo Quyen street, Hue City, Thua Thien Hue province – Vietnam
Tel: 0905335724; Fax: 84-234-3826269;
Email: ledinhduong@huemed-univ.edu.vn

CURRICULUM VITAE

1. NAME Family name: LE DINH

 Given name: DUONG

2. DATE OF BIRTH 09/03/1979

3. NATIONALITY Vietnamese

4. ADDRESS & CONTACT NUMBER

Faculty of Public Health, Hue University of
Medicine and Pharmacy

06 Ngo Quyen street, Hue city, Thua Thien Hue
province, Vietnam. Tel: 0914 312 951; Fax: 84-54-
3826269;

Email: ledinhduong@huemed-univ.edu.vn

5. EXISTING POSITION

- **Lecturer** of Biostatistics – Demography –
Reproductive Health department, Faculty of public

Health, Hue University of Medicine and Pharmacy.

- Assistant researcher, Institution for Community Health Research – Hue University of Medicine and Pharmacy, Vietnam.

6. EDUCATION

Master of Public Health (MPH), at Hue University of Medicine and Pharmacy, Vietnam, 2013-2015

Bachelor of Public Health (BPH), at Hue Medical University, Vietnam, 2006-2010

7. LANGUAGE SKILLS (1 = worst, 5 = best)

<i>Language</i>	<i>Reading</i>	<i>Listening</i>	<i>Speaking</i>	<i>Writing</i>
Vietnamese	5	5	5	5
English	4	4	4	4

8. COUNTRIES OF WORK EXPERIENCES

Vietnam, Thailand, Lao, Philippine, Cambodia, Myanmar...

9. KEY QUALIFICATIONS

- Teaching in Biostatistics, Demography, Reproductive Health, Qualitative research, anthropology health and data analysis.
- Research fields: Public health, Biomedicine
- Research design, data analysis, project manager assistant, project planning and organization

- Computer skills: MS Word, Excel, PowerPoint, SPSS, STATA, EPI-INFO...

10. EMPLOYMENT RECORD

From September, 2010 to present: Hue University of Medicine and Pharmacy, Vietnam. Lecturer of Department of Biostatistics, Demography and Reproductive health, Faculty of Public Health. Assistant researcher at Institute for Community Health Research (ICHR), Hue University of Medicine and Pharmacy.

11. PUBLICATIONS

Research projects, reports and articles

Chief of some researches at different levels:

At Hue university:

- Prevalence of Attention deficit hyperactivities (ADHD) and related factors among children in Hue city, Vietnam, 2017.

At Hue University of Medicine and Pharmacy:

- Prevalence of dementia among the elderly and health care needs for people living with dementia in an urban community of central Vietnam, 2016.
- Stress and its association factor among undergraduate students in Faculty of Public health, Hue university of medicine and pharmacy, 2015
- Research on the impact of an objective test of learning methods of students of the Faculty of Public Health, 2012.
- Survey on smoking and some relationship factors for male students of Hue college of medicine and pharmacy, 2011.
