Short bio:

Yonghui Ma is now Associate Professor on medical ethics/bioethics and also the associate Director of the Interdisciplinary Center for Bioethics at School of Medicine, Xiamen University, China. She had a bachelor degree on Medicine from Southeast University, MA from Peking Union Medical College, and obtained her PhD on bioethics from the University of Manchester in the UK on 2013 (under full scholarship support and supervised by Prof. John Harris). She is also member of International Association of Bioethics (IAB), member of Chinese Bioethics Association, editorial member of Chinese Medical Ethics Journal, board member of Nursing Ethics (IF1.97), board member of BMC Life Science, Society, and Policy, and Institutional Review Board member (IRB, or Ethics consultants) in many tertiary hospitals in Xiamen as well as some other academic Institutions.

Dr. Ma's research interests focus on genetic ethics, clinical ethics, ethics of new biomedical technology, cross-cultural bioethics. She has published on *American Journal of Bioethics (Target Article)*, *BMC Medical Ethics*, *Bioethics*, *Cambridge Quarterly of Healthcare Ethics*, *Asian Bioethics*

Review, *Lancet*, *Experimental Dermatology*, *Protein & Cell*, as well as Chinese journals, e.g. *Chinese Medical Ethics*, *Medicine and Philosophy*, *Chinese Medical Journal*.
